## AUDITOR'S REPORT

---

*To the Inhabitants of the Town of Corinth:*

This is to certify that this department, represented by Mr. F. A. Doble, has completed an audit of the accounts of your town officials for the municipal year ended Feb. 22, 1940.

Our report, herewith submitted, was prepared from your town records and, to the best of our knowledge and belief, properly reflects the true financial condition of your municipality as of the above date. A mail verification was not made of any of the asset and liability accounts.

The schedules contained in this report are as follows:

Comparative Balance Sheet.

Analysis of Change in Surplus.

Report of Treasurer—February 22, 1940.

Reconciliation of Treasurer's Cash Balance.

Report of Treasurer—February 22 to April 1, 1940.

Summary of Overdraft and Unexpended Balances.

1939 Valuation and Commitment.

Abatements made in 1939.

Uncollected 1939 Taxes.

Uncollected Prior Years' Taxes.

Tax Liens.

Tax Deeds.

Accounts Receivable—Notes Payable.

Trust Funds.

Also included with this report, for bookkeeping purposes, you will find Reconciliation of All Accounts.

We wish to thank your town officials for their cooperation during the course of this audit.

Respectfully submitted,

HAROLD E. CRAWFORD,  
*Municipal Auditor.*

## SCHOOL DEPARTMENT

---

**REPORT OF SUPERINTENDENT OF SCHOOLS**

---

*To the Superintending School Committee and Citizens of  
the Town of Corinth:*

The report of the Superintendent of Schools is herewith submitted for your consideration.

**EAST CORINTH ACADEMY**

- You are respectfully referred to the report of Principal Ross P. Spear.

**ELEMENTARY SCHOOLS**

Following is a list of the teachers employed and number of weeks in each school for which salaries have been paid within the municipal year.

**WINTER TERM, 1939-40**

<i>Teacher</i>	<i>School</i>	<i>No. Weeks</i>
Mrs. Doris B. Stubbs	Grammar	8
Miss Ruth M. Hatfield	Intermediate	8
Miss Bertha M. Paine	Primary	8
Mrs. Alice F. Whitney	Bean's Mills	8
Mrs. Ada D. McCard	West Corinth	8
Mrs. Gerda R. Perkins	Robieville	9

**SPRING TERM**

Mrs. Doris B. Stubbs	Grammar	9
Miss Ruth M. Hatfield	Intermediate	9
Miss Bertha M. Paine	Primary	9
Mrs. Alice F. Whitney	Bean's Mills	9
Mrs. Ada D. McCard	West Corinth	9
Mrs. Gerda R. Perkins	Robieville	8

## FALL TERM

Mrs. Doris B. Stubbs	Grammar	16
Mrs. Gerda R. Perkins	Intermediate	16
Miss Bertha M. Paine	Primary	16
Mrs. Alice F. Whitney	Bean's Mills	16
Mrs. Ada D. McCard	West Corinth	16
Miss Alice E. Norton	Robieville	15

## WINTER TERM, 1940-41

Mrs. Doris B. Stubbs	Grammar	4
Mrs. Gerda R. Perkins	Intermediate	4
Miss Bertha M. Paine	Primary	4
Mrs. Alice F. Whitney	Bean's Mills	4
Mrs. Ada D. McCard	West Corinth	3
Miss Alice E. Norton	Robieville	5

## REGISTRATION IN GRADES

Total number of pupils registered in grades in the several schools for the school year, 1940-41:

Grades	Sub-Primary	1	2	3	4	5	6	7	8	Total
Grammar	0	0	0	0	0	0	0	14	16	33
Intermediate	0	0	0	0	13	11	16	0	0	40
Primary	7	16	12	6	0	0	0	0	0	41
Bean's Mills	4	3	2	3	0	6	1	4	2	25
West Corinth	5	7	5	5	4	5	1	2	0	34
Robieville	3	1	5	1	5	2	6	4	5	36
Total	19	27	24	19	22	24	24	27	23	209

## INSTRUCTION

Only two changes have been made in the list of teachers in the schools, Mrs. Gerda R. Perkins taking the place of Miss Ruth M. Hatfield in the intermediate school and Miss Alice E. Norton of South Berwick taking the place of Mrs. Gerda R. Perkins in the Robieville school.

At the opening of the fall term it was necessary to make

a rearrangement of the grades so that the pupils could be accommodated in the rooms. The lower grade in the grammar school was retained in the intermediate room and the lower grade in that room was retained in the primary room in the village schools.

A change has been made in the schedule of grades. The ninth grade has been dropped in name and a sub-primary grade established. This gives work in the full nine grades and serves to place the list of grades on the same plan as is now being used. The work of the grades remains as it has been, the pupils doing the same kind and amount of work as formerly.

### MUSIC

You are respectfully referred to the report of Mrs. Evelyn B. Stoddard, Music Supervisor.

### HEALTH

You are respectfully referred to the report of E. B. Skolfield, School Physician.

### SAFETY

This subject is constantly before the people as attention is called to its necessity. It is a subject in which every parent should have a special interest. Instruction in care of the health and freedom from accidents cannot be wholly a school matter. There should at all times be a cordial co-operation to make it effective.

### REPAIRS

A notable achievement has been accomplished by the Parent-Teacher Association in the installation of modern electric lighting in the village school building. This matter was placed before the town at the last annual meeting, but the appropriation made would not permit the expense of the installation. All of the expense for the fixtures and

installation has been borne by the Association at a cost of \$111.89. I believe the Association should be highly commended for its effort in making this improvement.

The southerly side of the village building has been shingled, and a few desks bought. Other expense has been for minor repairs.

Provision should be made this year in the appropriation for repairs to paint the West Corinth school building. This is becoming badly weather worn and needs attention. There is a very imperative need for single desks at the Robieville school and this building should be shingled on the westerly side. There is also need for rebuilding the chimney on that building.

Your attention is again called to the need for enlargement of the playground at the village building. There is a registration of 81 pupils in these schools and the playground facilities owned by the town are far from adequate. This is a matter that should have thoughtful consideration.

### SCHOOL LUNCH PROGRAM

Under the direction of the Parent-Teacher Association a school lunch program is established in the schools through the Surplus Commodities Division. The serving of these lunches has already begun in all the schools except at the West Corinth school where it is expected to begin very soon. Commodities are furnished gratis through the Division, and assistance in preparation and serving has been arranged through the N. Y. A. This has given employment and compensation to several young people. It has accomplished a real benefit to the children in the schools with an improvement in their school work. A real expression of gratitude is due those having the matter in charge, and those assisting, for what they have accomplished in this program.

### EQUALIZATION FUND

The town has received the sum of \$312.00 from this fund

this year. It has become a part of the general fund for school maintenance and used for such purpose.

Information has been received that there will probably be an allocation of \$372.00 from this fund to the town in December, 1941.

### SUMMARY OF SCHOOL CONDITIONS

Number persons in town, census April 1, 1939, 5 to 21 years of age	302
Number persons in town, census April 1, 1940, 5 to 21 years of age	321

School tax rate in town	.01596

### FINANCIAL REPORT

You are respectfully referred to the report of the Selectmen for the financial statement of the department.

## RECOMMENDATIONS

You are respectfully referred to the list of recommendations as made up by the Selectmen.

The school department recommendations are for the period from February 1, 1941 to February 1, 1942.

## CLOSING

To summarize the work of the schools is somewhat a routine matter. Pupils advance through the elementary schools, along with their secondary study and on into their places to take part in community affairs. There is a motivation of thinking, investigating and living that carries along through it all. A hope goes along with it that the future of the boys and girls may be successful. So the duty of the elementary school is to teach and make a foundation on which the future may be built. The work can go along in a solemn routine or it can be carried on in an active and alert manner. The situation is the same facing the pupil after the actual school work is completed.

The schools are facing changes. They may be more rapid than we think. They will have to meet conditions as they arise. Education is somewhat of a balance. There can be no certain financial accounting. The profit is partly for the person and partly for the community. It has to be acquired. The public is remunerated by the result. It is either accumulation or depreciation.

Respectfully submitted,

H. D. RIDLON,

*Superintendent of Schools.*

## REPORT OF MUSIC SUPERVISOR

---

Superintending School Committee,  
Corinth, Maine.

Herewith I submit my first report of the work accomplished in Music in the Corinth Schools during the school year 1940-1941.

One half hour period a week was allotted to each classroom of the village, Bean's Mills, West Corinth and Robieville schools.

In the primary grades, numerous rote songs, singing games, folk and primary dances have been taught. Specific work in ear and eye training has been done. Special attention was given to monotones and talented pupils. Music appreciation and theory also were taken up. Rhythm Bands will be introduced in the Spring term.

In the intermediate grades, theory, sight singing, ear training, music appreciation, and formal drill for automatic control have been taught. A portion of every period has been devoted to two part singing and harmony.

In the grammar grades, theory, sight singing and ear training were studied. Beautiful melodies and appealing harmonies were selected for two part singing. Expression, memorization, creative work and music appreciation were emphasized.

All grades have studied musical instruments, voice culture, great composers and famous operas. They are making notebooks for theory and appreciation.

All children are encouraged to play and sing alone as well as in small and large groups. Grammar pupils are invited

to play in the Academy orchestra. Harmonica bands practice in the East Corinth Intermediate and Bean's Mills schools.

At present we are preparing for "Stephen Foster", a dramatic biography in operetta form, to be given in March. All schools are participating.

I wish to express appreciation for the cooperation of our superintendent and all those who have assisted in this phase of the school curriculum in such a kind, friendly and willing manner. It has been a pleasure to work with the regular teachers who have continued music every day during the week. For their untiring efforts I am grateful.

Respectfully submitted,

EVELYN B. STODDARD,  
*Music Supervisor.*

## REPORT OF EAST CORINTH ACADEMY

---

Courses: Agriculture, Classical, English.

Instructors: Ross P. Spear, Principal, University of Maine, Mathematics and Science; Lester A. Felt, University of Maine, Agriculture; Miss Arlene Paine, Colby College, Latin and French; Miss Evelyn Woods, University of Maine, English and Social Sciences.

### ENROLLMENT BY COURSES AND CLASSES

	Agriculture		Classical		English		Total
	Boys	Girls	Boys	Girls	Boys	Girls

Seniors	6	0	0	1	2	7	16
Juniors	5	0	0	3	0	9	17
Sophomores	9	0	0	5	0	11	25
Freshmen	13	0	2	6	1	2	24
	—	—	—	—	—	—	—
Total	33	0	2	15	5	29	84

East Corinth Academy started the 98th year of its existence, September 3, 1940. With one exception the teaching staff was the same as the previous year. Miss Evelyn Woods replaced Mr. Vachel Wakefield as teacher of English and Social Sciences. There were 84 students enrolled as classified by the diagram. Of this number, 60 are residents of Corinth and 24 are residents of surrounding towns.

Each year we like to look back and show some constructive improvement in school organization or equipment. This last year we have installed a very modern method of gas heating for the Bunson burners of the laboratory. Also there is running water in the laboratory which we were never able to have before.

The Future Farmer boys have planted about 1200 ever-

green trees (pines and spruces) up on the knoll in back of the building. In 10 or 15 years this grove of trees should prove to be a great help in beautifying the grounds.

The F. F. A. boys have also added much new equipment to their classroom. All of this has been made by their own hands at the farm shop.

We are cooperating with the Government in the National Defense Program by giving the use of the farm shop for the training of out-of-school boys between the ages of 17 and 25. Two courses have been organized so far, metal-working and wood-working. Each are to run for 8 weeks. At the end of each period the boys will be given a certificate showing the work accomplished. The possession of these certificates will be a great help to the boys in getting U. S. Defense positions later on in the year or in future years.

Let us all join hands to keep the Corinth schools up to a par with the rest of the schools in Maine. We can do this if you will take an interest in all school programs and help out in all ways possible to keep the school functioning.

Above all we can help by becoming acquainted with our schools. Call often and be neighborly.

Respectfully submitted,

ROSS P. SPEAR,  
*Principal.*

## REPORT OF HEALTH OFFICER

---

*To the Citizens of Corinth:*

I herewith submit my Annual report of the Medical examination made in the grade schools.

I have examined the pupils in all six grade schools, a total number of 189, seven more than one year ago.

A few pupils who needed Tonsil and Adenoid corrections made were unable to have these corrections during the summer, owing to the State appropriation having been used before these names were presented. There was a total number of eleven pupils who needed this Clinic service.

To insure appointments under this particular Clinic it is becoming more and more imperative to ask for appointments in the Spring.

The correction of poor vision of pupils needing it is quite marked. Many have been fitted to glasses in response to the teachers and physicians advice.

The same chronic cases of Cardiac trouble which I find each year, were again found this year. There are a few Congenital cases also found. In each of these last cases the parents are promptly notified and instructed how to take the necessary care and precaution to protect their child.

The nervous cases each year are becoming less prevalent among the pupils in older grades. I believe that as those cases progress into High school their hereditary conditions may be entirely overcome.

We have had no Public Health Nurse since the very early summer. Miss Hayes, who has served in that capacity intermittently was given a Leave of Absence for one year and her place has not been filled throughout the remainder of the year. We did, however, hold the pre-school summer round-up.

I urge all parents who have children entering school in the

Fall to take advantage of this clinic held each year under the supervision of a physician and a State nurse.

The dental condition in the higher grades especially, was found to be quite bad, and in cases where the parents are notified of this condition it would not only be gratifying but a very definite help to the pupil physically, to have the teeth properly taken care of.

In general, I can see a marked improvement in the physical condition of the pupils in all grades, especially in the Primary and Intermediate grades, where the corrections are first made.

I want to call your attention to the usual free vaccination for Small-Pox during the month of March. This may include any person who is a resident of Corinth.

Respectfully submitted,

DR. E. B. SKOLFIELD,  
*School Physician.*

## STATE BUREAU OF HEALTH

---

### REPORT OF PUBLIC HEALTH NURSING—1940

“Adequate provision to assure satisfactory growth and development and protection of the health of children is a public responsibility warranting special consideration and emphasis in any program directed toward the better health of the pupil as a whole. Upon what is done to assure physical and mental health during maternity, infancy, childhood, and youth depends the vigor and health of the adult population.”

The above quotation is taken from the report of a conference on “Children in a Democracy” held in Washington last spring at which leaders in many fields of child care discussed the problems of youth and ways to solve these problems.

Public health is concerned with securing and maintaining better health for all members of the community. Recognizing that whatever is done to assure physical and mental health during maternity, infancy, childhood, and youth will affect the health of the adult population, we have, as in the past, placed most emphasis on the work with the pregnant mother, the infant, and the pre-school child.

The Public Health Nurse made 17 visits to Corinth between January and September.

During the year 15 visits were made at the request of the attending physician, to prenatal patients to help them carry out his instructions, or if not yet under a physician's care to urge them to secure medical advice as early in pregnancy as possible. In many cases the mother was helped to make plans for her confinement.

Thirty-one visits were made to young infants to urge the

mother to keep the baby under medical supervision, to have him vaccinated against smallpox and immunized against diphtheria. When necessary, the nurse assisted the mother in planning a daily regime for the baby. Special emphasis was placed on the prevention of communicable diseases which take such a heavy toll in childhood.

Representatives of the Parent-Teacher Association served as a committee to sponsor the Child Welfare Conferences and summer round-up. They made arrangements for the clinic rooms, the necessary furnishings and secured transportation for those needing such service. They also gave invaluable help at the conferences. The children were examined by a physician and the mother advised on the proper care of her child. The public health nurse visited many of these children in their homes and assisted the mother in carrying out the instructions of the physician regarding diet, clothing, sleep, or gave help in solving some emotional problem.

The school children who had received toxoid the previous year received the Schick test. Out of the 91 tested, only 3 were positive. This was sponsored by the P.T.A.

Immunization clinics were held at which children were protected against diphtheria by toxoid. Children already immunized were given the Schick test.

One of the major projects this year was the tuberculosis program. Clinics were held at the schools where 157 children were given the tuberculin test. Later X-ray clinics were held at which 7 children were X-rayed. All positive cases were visited as well as those persons who had had contact with active cases. The latter were urged to have X-rays in order that early diagnosis might be made.

While work in the schools has been limited this year, conferences were held with teachers and help given in solving special problems. All children in grades from the 3rd up

were given hearing tests and plans made with the teachers and parents to aid those found with defective hearing.

Several meetings of the health committee of the P.T.A. were held, and community health problems discussed.

Through the efforts of the nurse, local physicians, members of the Zonta Club, an eye examination was obtained for an 11-year-old child suffering from cataracts on both eyes. The nurse gave valuable assistance in getting the child hospitalized and proper treatment secured.

It is heartening to find an increased interest in health work on the part of many community groups. The assistance given in all projects has in large measure been responsible for the accomplishments of the year.

---

## THE ATKINS MEMORIAL LIBRARY REPORT

---

*To the Citizens of Corinth:*

The library has a circulation of about 5,500 volumes. A registration of 338 or about 35% of the population. Fines for the year amounted to \$6.27.

The library has 2,235 volumes of fiction and 1,013 volumes of non-fiction. 270 book gifts have been received. As new books must replace worn-out books the total increase per year is low.

A vote is on record to serve a May Breakfast on May 1, 1941. This annual event is much enjoyed and a help financially.

Respectfully submitted,

GERDA R. PERKINS,  
*Librarian.*

## RECOMMENDATIONS FOR 1941

## WARRANT

---

County of Penobscot,

State of Maine

*To Frank T. Brooks, a constable in the town of Corinth, in  
the county of Penobscot,*

GREETINGS:

In the name of the State of Maine, you are hereby required to warn and notify the inhabitants of said town, qualified by law to vote in town affairs, to meet at the Town House in said town on Monday, the tenth day of March, A. D. 1941, at nine o'clock in the forenoon to act on the following articles, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a town clerk for the ensuing year.

Art. 3. To see if the town will vote to accept the town report, subject to State audit.

Art. 4. To elect three or more selectmen, for the ensuing year.

Art. 5. To elect three or more assessors, for the ensuing year.

Art. 6. To elect three or more overseers of the poor, for the ensuing year.

Art. 7. To elect a fire inspector for the ensuing year.

Art. 8. To elect a member of the superintending school committee to serve three years.

Art. 9. To elect a member of the cemetery trustees to serve three years.

Art. 10. To elect a town treasurer for the ensuing year.

Art. 11. To elect a collector of taxes for the ensuing year.

Art. 12. To elect a road commissioner for the ensuing year.

Art. 13. To choose constables, sextons, fence viewers, measurers of wood and bark, surveyors of lumber and all other necessary town officers.

Art. 14. To see what sum of money the town will vote to raise and appropriate for elementary schools.

Art. 15. To see what sum of money the town will vote to raise and appropriate for elementary school books.

Art. 16. To see what sum of money the town will vote to raise and appropriate for elementary school supplies.

Art. 17. To see what sum of money the town will vote to raise and appropriate for repairs of elementary school buildings.

Art. 18. To see what sum of money the town will vote to raise and appropriate for insurance on elementary school buildings.

Art. 19. To see what sum of money the town will vote to raise and appropriate for superintendent of schools.

Art. 20. To see what sum of money the town will vote to raise and appropriate for free high school.

Art. 21. To see what sum of money the town will vote to raise and appropriate to pay interest.

Art. 22. To see if the town will vote to authorize the superintending school committee to make a contract with and pay to the trustees of East Corinth Academy for the tuition of its pupils qualified to attend such a school.

Art. 23. To see if the town will vote to have medical inspection in the schools and raise a sum of money for that purpose or take any action relating thereto.

Art. 24. To see if the town will vote to have music taught in the schools and raise a sum of money for that purpose or act on anything relating thereto.

Art. 25. To see if the town will vote to raise and appropriate \$50.00 for public health nursing in Corinth. Said sum to be expended by the State Bureau of Health, for local service.

Art. 26. To see what sum of money the town will vote to raise and appropriate for charities.

Art. 27. To see what sum of money the town will vote to raise and appropriate for street lights.

Art. 28. To see what sum of money the town will vote to raise and appropriate for summer roads.

Art. 29. To see if the town will vote to plow snow on all town roads acceptable to the State Highway Commission and raise a sum of money for that purpose or take any action relating thereto.

Art. 30. To see if the town will vote to raise and appropriate a sum of money for the purpose of purchasing snow fence, or take any action relating thereto.

Art. 31. To see if the town will vote to raise and appropriate a sum of money for the purpose of cutting bushes on improved highways, or take any action relating thereto.

Art. 32. To see what sum of money the town will vote to raise and appropriate for winter roads.

Art. 33. To see if the town will vote to discontinue the road from the so-called Four corners to Main highway at Abbott's.

Art. 34. To see if the town will vote to authorize the selectmen to designate as the next third class road, the road leading from Route 15, at Denis Marquis to State Aid road Route No. 43.

Art. 35. To see what sum of money the town will vote to raise and appropriate for state aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provision of Section 19, Chapter 28, Revised Statutes of 1930, or under the provisions of Section 3, Chapter 229, Public laws of 1937.

Art. 36. To see what sum, if any, the town will recommend to take from the joint state aid account for the purpose of applying bituminous surface treatment to state aid roads, in excess of the requirements of Section 2, Chapter 132, P. L. 1935.

Art. 37. To see what sum of money the town will vote to raise and appropriate for patrol roads.

Art. 38. To see if the town will vote to raise and appropriate the sum of \$938.00 for the maintenance of third class roads, the above amount being the sum necessary for the town to raise to entitle it to the apportionment of money for third class road construction under the provisions of Sec-

tions 44 and 46, Revised Statutes of 1930, as amended by Sections 4 and 5 of Chapter 229, P. L. 1937.

Art. 39. To see what sum, if any, the town will recommend to take from the third class apportionment for the purpose of applying bituminous surface treatment to third class roads, in excess of the requirements of Section 1, Chapter 207, P. L. 1939.

Art. 40. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

Art. 41. To see what sum of money the town will vote to raise and appropriate for fire inspector and constable.

Art. 42. To see what sum of money the town will vote to raise and appropriate to procure from the Atkins Memorial Library Association the free use of its books for the inhabitants of the town of Corinth, as provided by Chapter 5, Section 28, of the Revised Statutes of Maine, or act on anything relating to the general subject matter of this article.

Art. 43. To see what sum of money the town will vote to raise and appropriate for health and sanitation.

Art. 44. To see what sum of money the town will vote to raise and appropriate for mothers' aid.

Art. 45. To see what sum of money the town will vote to raise and appropriate to purchase snow plowing equipment, or act on anything relating thereto.

Art. 46. To see if the town will vote to authorize the selectmen, on behalf of the town, to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon, including real estate conveyed to the town, on

such terms as they deem advisable, and to execute quit-claim deeds for such property; and ratify and confirm any such deeds heretofore given by the selectmen, in behalf of the inhabitants of the town, purporting to convey the interest of the town.

Art. 47. To see what method the town will vote to adopt for the collection of taxes in 1941.

Art. 48. To see if the town will vote to make it compulsory for the treasurer to collect interest on all tax liens from date of execution until paid.

Art. 49. To see if the town, for the purpose of obtaining a temporary loan or loans to and for the use of the town in conducting its municipal business in the current municipal year of 1941 and in anticipation of and to be paid out of taxes of the municipal year of 1941, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time during said municipal year, a sum or sums not exceeding in the aggregate the sum of \$5,000.00 and to make, execute and deliver the negotiable note or notes therefor, payable within the current municipal year and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money to be raised by taxation at the annual town meeting held March 10th, 1941.

Art. 50. To see if the town will vote to authorize the assessors to rescind any amounts appropriated by the town for State Aid Highway construction in excess of the amount required to meet State apportionments.

Art. 51. To see if the town will vote to purchase a parcel of land from Annie Herrick to enlarge the playground of the village school, and raise a sum of money for that purpose or act on anything relating thereto.

Art. 52. To see what sum of money the town will vote to raise and appropriate for town officers.

Art. 53. To see what sum of money the town will vote to raise and appropriate for advertising our natural resources, advantages and attractions, under the provisions of Chapter 5, Section 82 of the Revised Statutes of 1930. Said sum to be expended under the direction of the State of Maine Publicity Bureau.

Art. 54. To see what sum of money the town will vote to raise and appropriate to pay notes due or coming due during the ensuing year.

Art. 55. To see if the town will vote to install a street light in front of Elizabeth Spratt's residence.

You will give notice that the selectmen will be in session at the town house in said town at eight-thirty o'clock in the forenoon on the day above mentioned for the purpose of correcting the list of voters.

Hereof fail not and have you there this warrant with your doings written thereon.

Given under our hands at Corinth this 26th day of February A. D. 1941.

ABNER M. FRAZIER,  
LEON F. TIPLADY,  
JASPER F. ELLIOTT,  
*Selectmen of Corinth.*

### NOTICE!

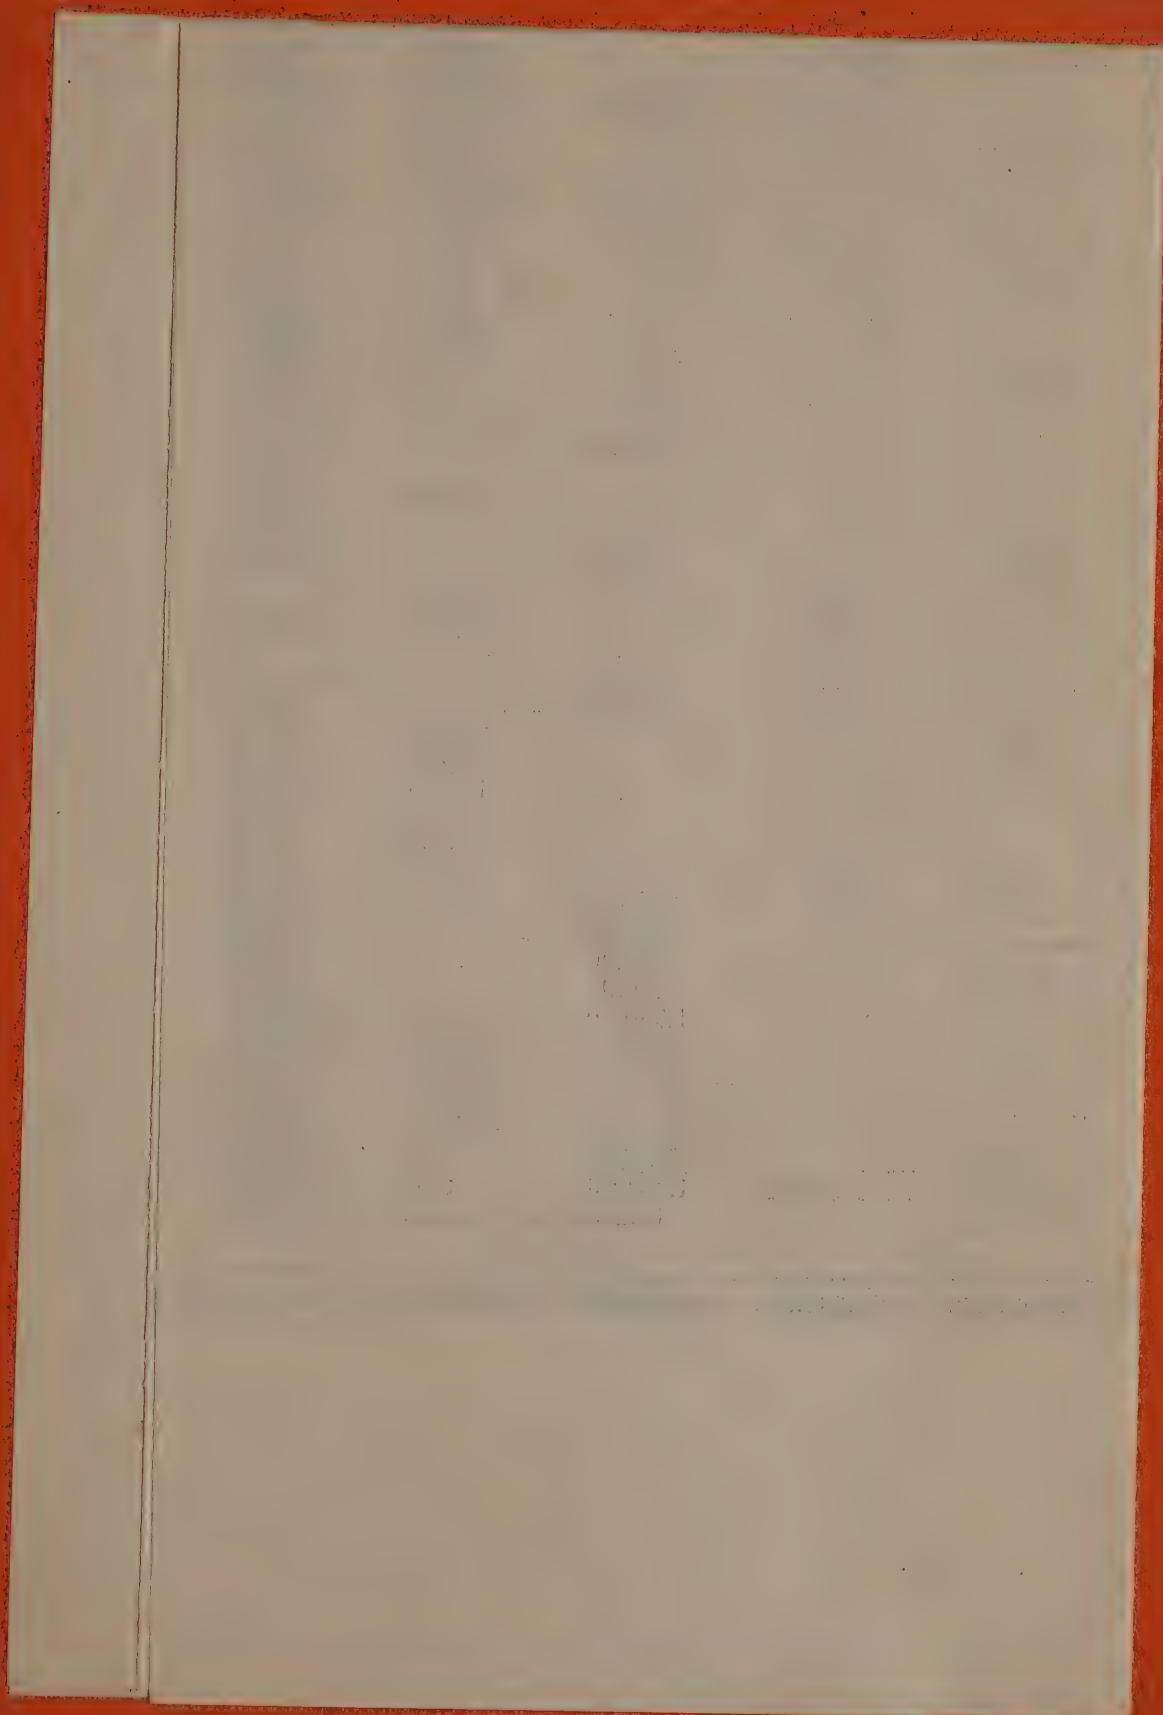

The ladies of Orient Grange will serve a dinner at the Grange Hall on town meeting day.

## AUDITOR'S REPORT

---

September 26th, 1941.

*To the Inhabitants of the Town of Corinth:*

In accordance with your request, this department, represented by F. A. Doble and M. E. Libby, has completed an examination of the accounts of your town officials for the municipal year ended February 22, 1941.

Our report, herewith submitted, was prepared from your town records and, to the best of our knowledge and belief, properly reflects the true financial condition of your municipality as of that date; subject however to a probable shrinkage in the final settlement of unpaid taxes, tax liens and deeds.

The data obtained by us is summarized in the following:

	Comments
Exhibit A	Comparative Balance Sheet
B	Treasurer's Account
C	1940 Valuation and Commitment
D	Statement of Appropriation Accounts
Schedule 1	Reconciliation of Treasurer's Cash Balance
2	Uncollected Taxes
3	Tax Liens
4	Tax Deeds
5	Account Receivable
6	Notes Receivable
7	Trust Funds
8	Notes Payable
9	School Fund Town Orders
10	Analysis of Change in Surplus

Respectfully submitted,

STATE DEPARTMENT OF AUDIT

HAROLD E. CRAWFORD,

*Municipal Auditor.*

## COMMENTS

*Cash:*

All cash recorded as received was properly accounted for and deposited in the bank.

Expenditures were made by check from properly authorized warrants.

The cash balance was reconciled with the bank.

*Taxes:*

The 1940 tax commitment was added and found to agree with the Assessors' records. The total commitment was accounted for by cash and abatements, or was still unpaid as shown on Schedule 2.

All payments on prior years' taxes were checked against the outstanding lists prepared by us last year and those still unpaid are also shown on Schedule 2.

*Tax Liens and Deeds:*

It appeared that all payments on liens and deeds had been properly accounted for. Those still unpaid are shown on Schedules 3 and 4.

*Trust Funds:*

The record of investments, as kept by the Treasurer of the trust funds, was checked, but due to the fact that the securities were in a safety deposit box in Bangor, we were unable to verify the investments.

It is noted that a substantial amount of these trust funds has been used by the town, for which they have given notes as security.

*General:*

A partial check was made of paid bills and as far as our examination went, all appeared to be proper charges and correctly recorded.

Your town records appeared to be in a very satisfactory condition.

With the exception of cash, no external verification was made of your asset or liability accounts.

## ADMINISTRATION

GEORGE BAGLEY. *Town Clerk.*

## REPORT OF SUPERINTENDENT OF SCHOOLS

*To the Superintending School Committee and Citizens of the  
Town of Corinth:*

The report of the Superintendent of Schools is herewith submitted for your consideration.

### EAST CORINTH ACADEMY

You are respectfully referred to the report of Principal Ross P. Spear.

### ELEMENTARY SCHOOLS

The following is a list of the teachers employed and number of weeks in each school for which salaries have been paid within the municipal year:

#### WINTER TERM, 1940-41

<i>Teacher</i>	<i>School</i>	<i>No. Weeks</i>
Mrs. Doris B. Stubbs	Grammar	8
Mrs. Gerda R. Perkins	Intermediate	8
Miss Bertha M. Paine	Primary	8
Mrs. Alice F. Whitney	Bean's Mills	8
Mrs. Ada D. McCard	West Corinth	8
Miss Alice E. Norton	Robieville	8
Mrs. Evelyn T. Stoddard	Music Supervisor	8

#### SPRING TERM

Mrs. Doris B. Stubbs	Grammar	8
Mrs. Gerda R. Perkins	Intermediate	8
Miss Bertha M. Paine	Primary	8
Mrs. Alice F. Whitney	Bean's Mills	8
Mrs. Ada D. McCard	West Corinth	9
Miss Alice E. Norton	Robieville	8
Mrs. Evelyn T. Stoddard	Music Supervisor	8

## FALL TERM

Mrs. Neota C. Mitchell	Grammar	15
Mrs. Gerda R. Perkins	Intermediate	15
Mrs. Marjorie F. Page	Primary	15
Mrs. Alice F. Whitney	Bean's Mills	15
Mrs. Ada D. McCard	West Corinth	15
Mrs. Gladys H. Seavey	Robieville	15
Miss Florence H. Homer	Music Supervisor	13

## WINTER TERM, 1941-42

Mrs. Neota C. Mitchell	Grammar	4
Mrs. Gerda R. Perkins	Intermediate	4
Mrs. Marjorie F. Page	Primary	4
Mrs. Alice F. Whitney	Bean's Mills	4
Mrs. Ada D. McCard	West Corinth	4
Mrs. Gladys H. Seavey	Robieville	4
Miss Florence H. Homer	Music Supervisor	4

## REGISTRATION IN GRADES

Total number of pupils registered in grades in the several schools for the school year, 1941-42:

Grade	Sub-Primary	1	2	3	4	5	6	7	8	Total
Grammar	0	0	0	0	0	0	0	17	16	33
Intermediate	0	0	0	0	11	13	11	0	0	35
Primary	14	3	16	11	0	0	0	0	0	44
Bean's Mills	0	2	1	1	1	0	6	1	4	16
West Corinth	7	4	6	4	4	2	7	2	2	38
Robieville	0	3	1	4	4	5	2	5	3	27
Total	21	12	24	20	20	20	26	25	25	193

## INSTRUCTION

At the opening of the fall term Mrs. Doris B. Stubbs resigned as teacher of the grammar school and Mrs. Neota C. Mitchell was elected to fill the vacancy. Mrs. Marjorie F. Page was elected to fill the vacancy in the primary school,

and Mrs. Gladys H. Seavey of Enfield to fill the vacancy in the Robieville school.

The same arrangement of grades has been continued as in the previous year. Probably this same schedule will have to be carried on for the next school year:

### MUSIC

You are respectfully referred to the report of Miss Florence H. Homer, Music Supervisor.

### HEALTH

You are respectfully referred to the report of Miss Katherine Donley, Public Health Nurse.

The town is being asked to make an appropriation of \$50.00 to carry on the work of this department. From a study of Miss Donley's report it appears that she has done considerable work in her department in the town, except that the school children have not had the benefit of her services. I believe the project has the endorsement of the Parent-Teacher Association, and it should have the unqualified endorsement of the community.

Parents are urged to give immediate attention to reports sent home by teachers. Whether they be urgent or not, it is a condition that has come to the attention of the teacher and needs attention. Particular attention should be given to reports of eye trouble. Correction will probably mean successful work for the pupil, otherwise it may not.

### SAFETY

This year safety is having a much different meaning than at any time in the past. It is more than a routine subject requiring only minor discussion. It is more than the welfare of the children in their school, home, and highway environment. Emergency preparation is being urged, now, for any eventuality. Safety education is not wholly a school subject at this time. Be safety conscious constantly!

## TEXTBOOKS

In the apportionment of the equalization fund, it was desired by the State Department of Education that a portion of the fund be used for the purchase of textbooks. Accordingly the sum of \$213.00 has been used to replace the health books in use for many years with a modern text. The history texts in use for several years have been partially displaced with a new series.

## REPAIRS OF SCHOOL BUILDINGS

The Robieville building has been shingled on the westerly side and the chimney at that building repaired. Other repairs have been of a general nature and only such as are required from year to year.

There is a very urgent need for single desks at the Robieville building as was called to your attention last year. If these could be bought and installed, it would eliminate much of the difficulty attendant upon the management of the school. Desks can be bought at the present time at a very reasonable figure. The town is urged to consider the need in the school.

The West Corinth building is badly in need of outside painting and continued delay in doing this work will lead to a much larger expense than if the work can be done within a reasonable time. This repair work was not undertaken this year because of the lack of sufficient funds to do it.

Again your attention is called to the playground situation at the village school building. There are 79 children in these schools and the need for a larger playground is becoming more imperative each year. I hope the town will favorably consider the matter of its enlargement this year.

Other repairs will be such as are needed from time to time.

## EQUALIZATION FUND

The town has received the sum of \$1,144.00 in this fund this year. It is a larger amount than was anticipated at the last annual town meeting, due to the fact that the fund was increased at the last regular session of the legislature.

Information has been received that the town will receive the sum of \$1,918.00 in December, 1942.

## SUMMARY OF SCHOOL CONDITIONS

Number persons in town, census April 1, 1940,	
5 to 21 years of age	321
Number of persons in town, census April 1, 1941,	
5 to 21 years of age	323
Number resident students, E. C. A., 1940-41	60
Number resident students, E. C. A., 1941-42	59
Number pupils, elementary schools, 1940-41	213
Number pupils, elementary schools, 1941-42	198
Number pupils conveyed, 1940-41	98
Number pupils conveyed, 1941-42	94
Average cost teachers' salaries, per week	\$16.32
Average cost teaching per pupil per week	.48
Average cost teaching per pupil per year	16.76
Average cost in all schools per week, 211 weeks	37.07
Average cost in all schools per week for year,	
6 schools	222.42
Average cost per pupil for conveyance, per week	.82
Average cost per pupil for conveyance, per year	28.77
Average cost per pupil for textbooks and supplies	3.49
Average cost per pupil, all expense	38.29
Average tax rate in state for municipal purposes	.05910
Average tax rate in state for school purposes	.01301
Municipal tax rate in town	.04500
School tax rate in town	.01726

## FINANCIAL REPORT

You are respectfully referred to the report of the Selectmen for the financial statement of the department.

## RECOMMENDATIONS

You are referred to the recommendations as stated in the report of the Selectmen, and made up by the Board of Selectmen and Superintending School Committee

The school department recommendations are for the period from February 1, 1942, to February 1, 1943.

## CLOSING

The work of the schools during the past year has followed much the same plan as usual. It has to be changed from time to time in order that the pupils may have the advantage of new methods and devices to aid in their information getting for future use. The introduction of new texts in some of the subjects has been an incentive for the pupils to observe changes in subject matter and have a forward looking program in acquiring information. Part of the new workbooks have been new introductions.

It must be strongly impressed upon the mind of every person that any definite plans for education during the next year are as uncertain as in any other department. Everything having to do with living conditions is an uncertain factor and subject to change with no surety of information in advance. We cannot be sure of teachers, or teacher salary conditions. We may be uncertain about textbooks and teaching material.

We are certain that the boys and girls are growing older each year and requiring the fundamentals of an education that is rightfully theirs. It is our duty to be forward looking for them in the midst of the chaotic condition prevailing in the world and around us, and to see that the children are equipped to carry on. In the present they are preparing for the future.

Respectfully submitted,

H. D. RIDLON,  
*Superintendent of Schools.*

## REPORT OF MUSIC SUPERVISOR

---

*To the Superintending School Committee and Citizens of Corinth:*

I wish to submit my first report as supervisor of music in Corinth.

The work in all the schools is coming slowly but an excellent interest is shown by both pupils and teachers and participation by the entire group is improving, and my aim is always to have "music for every child and every child for music," some will never be good singers but I feel that every child can take some part, if not discouraged, and most of the pupils can be taught to sing with the group if the right kind of work is done with those that need help.

I have spent quite some time helping the pupils, especially the boys, who are what we call monotones, to realize that they can sing in tune and many already have accomplished this. All may not do this in one year, especially if they have not sung in tune and are in the upper grades, but the work will go on until they do or we fail completely, but this very seldom happens.

Each school is putting on a program for the P. T. A. sometime during the year and those that have been put on have shown that the pupils can do good work.

New books have been placed in the primary room and in West Corinth, where there is a large group of lower grade children. The same book is used for songs and music reading in the other schools in the lower grades, but these groups are smaller in the other two schools and the work is done from the board.

The piano given to the primary room is much appreciated

and work in folk dancing, rhythm and tok orchestra is enjoyed by all, due to this generous gift.

Victrolas are needed so that work in appreciation can be carried on in all grades. Now that radio brings us so much music, some good and some otherwise, we must teach the children what is good and why, and we find that when they know what they are listening for they enjoy the good rather than the poorer types of music.

I hope that the parents will feel free to visit the schools during the music period and see how the work is carried on along the different lines and a better knowledge will be obtained of what there is to be learned in the different grades. By the time they reach high school age they should have a good fundamental knowledge of music.

Thanking you for your co-operation during the year,

I am, respectfully,

FLORENCE HOMER,  
*Music Supervisor.*

## REPORT OF EAST CORINTH ACADEMY

---

Courses: Agricultural, Classical, English.

Instructors: Ross P. Spear, B. A., M. A., Principal, University of Maine, Mathematics and Science; Lester A. Felt, B. S., University of Maine, Agriculture; Mrs. Myrtle Sherman, B. A., Colby College, French and Latin; Miss Olive Pullen, B. A., Colby College, English and History.

### Classes and Courses:

	Classical		English		Agricultural		Total
	Boys	Girls	Boys	Girls	Boys	Girls	
Freshmen	3	1	0	11	15	0	30
Sophomores	0	6	1	0	10	0	17
Juniors	0	5	1	7	5	0	18
Seniors	0	5	1	6	4	0	16
Totals	3	17	3	24	34	0	81

School opened Sept. 15, a little later than usual. This year 81 students have been enrolled as may be seen by the above classification. Fifty-nine of these students are residents of East Corinth, while twenty-two come from surrounding towns.

This is a war year, probably the most crucial year that we as a nation have had to endure. As a result, we are bound to see a change in our educational procedure. As the winning of this war is the most important function of our government, we are anxious to cooperate in all ways possible. One of the ways in which we have been asked to cooperate is to organize our students for protection against

possible air raids. All the students of the academy and grammar school have been organized into groups of five or six students. In case of air raids, we have been advised to scatter these groups to private houses as quickly as possible. We are awaiting further orders from the Civilian Defense Officials before holding our air raid drills. But I am sure that the town's citizens will be only too glad to help out in this program when and if it is started.

We solicit your cooperation in all school functions and urge you to visit your schools.

Respectfully submitted,

ROSS P. SPEAR,

*Principal.*

## REPORT OF PUBLIC HEALTH NURSE

---

Public Health Nursing is concerned with securing and maintaining better health for all members of the community. Recognizing that whatever is done to assure physical and mental health during maternity, infancy, childhood and youth will effect the health of the adult population, we have, as in the past, placed most emphasis on the work with the pregnant mother, the infant and the preschool child.

The part of the Public Health Nurse in the school health program is to serve in an advisory capacity, to suggest sources of authentic material for health teaching, to suggest ways and means of correlating health teaching with the regular school curriculum, and in the case of communicable disease to demonstrate the formal inspection, to aid in the control of communicable disease by arranging for immunizations programs. In several instances meetings have been held with the teachers at which various phases of school health work was discussed and demonstrated.

During the past 5 months 2 prenatal mothers and 6 postpartum mothers were visited at the request of the attending physicians, to help them carry out his instructions, or when not under a physician's care to point out to them the importance of early and continued medical supervision. Assistance was given the prenatal mothers in planning for confinement and to the postpartum mothers in fitting the new baby into the family routine.

10 visits were made to young infants to explain the importance of keeping the baby under medical supervision, to have him inoculated and vaccinated. To assist in feeding schedules and daily routines and to stress the importance of disease prevention.

20 preschool visits were made with special attention to carrying on work and instructions begun in infancy.

Due to the fact that Corinth does not appropriate money for Public Health Nursing, the school health phase of our program is being omitted in Corinth this year.

Children with crippling defects have been given the opportunity to attend the Bangor Crippled Children's clinic and the Brewer Exercise Center, both of which are directly under the State Bureau of Health.

Some tuberculosis work has been done in individual families, at the request of the family physician, such as tuberculin skin testing.

The State Bureau of Health in cooperation with the P. T. A. held 2 Child Health Conferences in June and August, at which 27 children were examined, in addition to the examining physician and nurse, we were fortunate to have the services of a dentist and a dental hygienist. The mothers were given instruction in physical and dental care. 16 children were inoculated against diphtheria.

KATHERINE DONLEY,

*Public Health Nurse.*

## THE ATKINS MEMORIAL LIBRARY REPORT

---

*To the Citizens of the Town of Corinth:*

I herewith present the eleventh annual report of the library. 6,410 books were circulated during the year. About 40% of the town's population are regular patrons of the library. Nearly half of this percentage are the students of the grade schools and the Academy.

The number of volumes remains about the same because of replacements.

Many citizens responded very generously to the Victory Book Campaign.

The Atkins Memorial Association has cared for the financing of insurance on the library building and its contents, labor on the grounds, fuel and janitor, lights, supplies and incidentals. The town's yearly appropriation is used in the purchasing of books and periodicals.

Fines collected	\$ 4.29
State stipend	12.50

At the annual meeting held at the library building on Jan. 12, 1942, a vote was taken to serve a May Breakfast on May 1st, 1942.

Respectfully submitted,

GERDA R. PERKINS,  
*Librarian.*

## RECOMMENDATIONS FOR 1942

Appropriation 1941		Recommendations 1942

## WARRANT

---

County of Penobscot,

State of Maine.

*To Frank T. Brooks, a constable in the town of Corinth,  
County of Penobscot,*

GREETING:

In the name of the State of Maine, you are hereby required to warn and notify the inhabitants of said town, qualified by law to vote in town affairs, to meet at the Town House in said town, on Monday, the sixteenth day of March, A. D. 1942, at 9:30 o'clock in the forenoon to act on the following articles, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a town clerk for the ensuing year.

Art. 3. To see if the town will vote to accept the town report, subject to State audit.

Art. 4. To elect three or more selectmen, for the ensuing year.

Art. 5. To elect three or more assessors for the ensuing year.

Art. 6. To elect three or more overseers of the poor for the ensuing year.

Art. 7. To elect a fire inspector for the ensuing year.

Art. 8. To elect a member of the superintending school committee to serve three years.

Art. 9. To elect a member of the cemetery trustees to serve three years.

Art. 10. To elect a town treasurer for the ensuing year.

Art. 11. To elect a collector of taxes for the ensuing year.

Art. 12. To elect a road commissioner for the ensuing year.

Art. 13. To choose constables, sextons, fence viewers, measurers of wood and bark, surveyors of lumber and all other necessary town officers.

Art. 14. To see what sum of money the town will vote to raise and appropriate for elementary schools.

Art. 15. To see what sum of money the town will vote to raise and appropriate for elementary school books.

Art. 16. To see what sum of money the town will vote to raise and appropriate for elementary school supplies.

Art. 17. To see what sum of money the town will vote to raise and appropriate for repairs of elementary school buildings.

Art. 18. To see what sum of money the town will vote to raise and appropriate for insurance on elementary school buildings.

Art. 19. To see what sum of money the town will vote to raise and appropriate for superintendent of schools.

Art. 20. To see what sum of money the town will vote to raise and appropriate for free high school.

Art. 21. To see what sum of money the town will vote to raise and appropriate to pay interest.

Art. 22. To see if the town will vote to authorize the superintending school committee to make a contract with and pay to the trustees of East Corinth Academy for the tuition of its pupils qualified to attend such a school.

Art. 23. To see if the town will vote to have medical inspection in the schools and raise a sum of money for that purpose or act on anything relating thereto.

Art. 24. To see if the town will vote to have music taught in the schools and raise a sum of money for that purpose or act on anything relating thereto.

Art. 25. To see if the town will vote to raise and appropriate \$50.00 for public health nursing in Corinth; said sum to be expended by the State Bureau of Health, for local service.

Art. 26. To see what sum of money the town will vote to raise and appropriate for charities.

Art. 27. To see what sum of money the town will vote to raise and appropriate for street lights.

Art. 28. To see what sum of money the town will vote to raise and appropriate for summer roads.

Art. 29. To see if the town will vote to plow snow on all town roads acceptable to the State Highway Commission, and raise a sum of money for that purpose or take any action relating thereto.

Art. 30. To see what sum of money the town will vote to raise and appropriate for the purchase of fire fighting equipment, or take any action relating thereto.

Art. 31. To see if the town will vote to raise and appropriate a sum of money for the purpose of cutting bushes on improved highways, or take any action relating thereto.

Art. 32. To see what sum of money the town will vote to raise and appropriate for winter roads.

Art. 33. To see what sum of money the town will vote to raise and appropriate for the purpose of repairing and renewing guide boards as required by Chapter 27, Section 109 of the Revised Statutes of 1930, or take any action relating thereto.

Art. 34. To see what sum of money the town will vote to raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provision of Section 19, Chapter 28, Revised Statutes of 1930, or under the provision of Chapter 213, Public Laws of 1941.

Art. 35. To see what sum, if any, the town will recommend to take from the joint State Aid account for the pur-

pose of applying bituminous surface treatment to State Aid roads, in excess of the requirements of Section 2, Chapter 132, P. L. 1935.

Art. 36. To see what sum of money the town will vote to raise and appropriate for patrol roads.

Art. 37. To see if the town will vote to raise and appropriate the sum of \$669.00 for the maintenance of third class roads, the above amount being the sum necessary for the town to raise to entitle it to the apportionment of money for third class road construction under the provision of Sections 44 and 46, Revised Statutes of 1930, as amended by Sections 4 and 5 of Chapter 229, P. L. 1937.

Art. 38. To see what sum, if any, the town will vote to recommend to take from the third class apportionment for the purpose of applying bituminous surface treatment to third class roads, in excess of the requirements of Section 1, Chapter 207, P. L. 1937.

Art. 39. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

Art. 40. To see what sum of money the town will vote to raise and appropriate for fire inspector and constable.

Art. 41. To see what sum of money the town will vote to raise and appropriate to procure from the Atkins Memorial Library Association the free use of its books for the inhabitants of the town of Corinth, as provided by Chapter 5, Section 28 of the Revised Statutes of Maine, or act on anything relating to the general subject matter of this article.

Art. 42. To see what sum of money the town will vote to raise and appropriate for health and sanitation.

Art. 43. To see what sum of money the town will vote to raise and appropriate for mothers' aid.

Art. 44. To see if the town will vote to authorize the selectmen, on behalf of the town, to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon, including real estate conveyed to the town, on such terms as they deem advisable, and to execute quit claim deeds for such property; and ratify and confirm any such deeds heretofore given by the selectmen, in behalf of the inhabitants of the town, purporting to convey the interest of the town.

Art. 45. To see what method the town will adopt for the collection of taxes in 1942.

Art. 46. To see if the town will make it compulsory for the treasurer to collect interest on all tax liens from date of execution until paid.

Art. 47. To see if the town, for the purpose of obtaining a temporary loan or loans to and for the use of the town in conducting its municipal business in the current municipal year of 1942 and in anticipation of and to be paid out of taxes of the municipal year of 1942, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time during said municipal year, a sum or sums not exceeding in the aggregate the sum of \$5,000.00 and to make, execute and deliver the negotiable note or notes therefor, payable within the current municipal year and upon such terms as shall be satisfactory to said

town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money to be raised by taxation at the annual town meeting held March 9th, 1942.

Art. 48. To see if the town will vote to authorize the assessors to rescind any amounts appropriated by the town for State Aid highway construction in excess of the amount required to meet State apportionments.

Art. 49. To see if the town will vote to purchase a parcel of land from Annie Herrick to enlarge the play ground of the village school, and raise a sum of money for that purpose, or act on anything relating thereto.

Art. 50. To see what sum of money the town will vote to raise and appropriate for town officers.

Art. 51. To see whether or not the town will vote to raise and appropriate the sum of \$50.00 for advertising our natural resources, advantages and attractions, under the provisions of Chapter 5, Section 82, of the Revised Statutes. Said money to be expended through the State of Maine, Publicity Bureau.

Art. 52. To see what sum of money the town will vote to raise and appropriate to pay notes, due or coming due during the ensuing year.

Art. 53. To see if the town will vote to raise and appropriate a sum of money for civilian defense, or act on anything relating thereto.

You will give notice that the selectmen will be in session at the Town House in said town at eight-thirty o'clock in the forenoon on the day above mentioned for the purpose of correcting the list of voters.

Hereof fail not and have you there this warrant with your doings written thereon.

Given under our hands at Corinth this 26th day of February A. D. 1942.

ABNER M. FRAZIER,

LEON F. TIPLADY,

JASPER F. ELLIOTT,

*Selectmen of Corinth.*

### NOTICE!

The ladies of Diamond Rebekah Lodge will serve a dinner on Town meeting day.

## REGISTRATION IN GRADES

Number of pupils registered in grades in the schools for the school year, 1942-43:

Grades	Sub-Primary	1	2	3	4	5	6	7	8	Total
Grammar	0	0	0	0	0	0	0	8	13	21
Intermediate	0	0	0	0	10	8	12	0	0	30
Primary	13	10	5	13	0	0	0	0	0	41
Bean's Mills	5	3	2	4	1	2	4	8	1	30
West Corinth	2	4	3	5	5	3	3	2	1	28
Robieville	1	0	3	1	3	4	6	1	6	25
	—	—	—	—	—	—	—	—	—	—
Total	21	17	13	23	19	17	25	19	21	175

## INSTRUCTION

All the teachers returned to their respective positions, except that Mrs. Addie M. Speed taught in the Robieville school during the fall term.

In many communities there is a decidedly acute shortage of teachers. Information has been received that, at least, 1000 teachers have left Maine schools since the last school year. This indicates a serious situation for our schools during the coming year.

There will probably be a rearrangement of the grades in the village school beginning with next year. The number of pupils in the different grades will be such that there can be a return to the regular three grade plan for each room.

## MUSIC

You are respectfully referred to the report of Miss Florence H. Homer, Music Supervisor.

## HEALTH

You are respectfully referred to the report of E. B. Skolfield, M. D., Health Physician.

You are also referred to the report of Miss Georgina Patterson, Public Health Nurse.

## REPAIRS OF SCHOOL BUILDINGS

The West Corinth building has been painted on the outside and some repairs made to the shed. A heating jacket has been placed on the stove in the Bean's Mills building. Other repairs have been of a minor nature.

Following the action of the town at the last annual town meeting, one acre of land has been bought to enlarge the playground at the village school building. When, and if, it is considered necessary for this lot to be fenced, the town is under obligation to make provision for such fencing. This is a statute requirement.

There is need for some repairs to be made on the foundation of the primary room. Evidently some of the supports have become displaced. It seems advisable that something be done about removing the trees on the new playground that has been purchased.

No extensive repairs are suggested this year owing to the prevailing conditions. The care of minor repairs is all that can be expected.

### EQUALIZATION FUND

The town has received \$1,918.00 as its apportionment of the equalization fund this year. This fund is used for the general expense of the school department.

The amount of \$2,170.00 will be received in December, 1943, according to the statement recently received from the State Department of Education.

### FINANCIAL STATEMENT

You are respectfully referred to the report of the Selectmen for the financial statement of the department.

### RECOMMENDATIONS

You are referred to the report of the Selectmen for the list of recommendations for the school department.

These recommendations are for the period from February 1, 1943 to February 1, 1944.

### SUMMARY OF SCHOOL CONDITIONS

Number persons in town, census April, 1941,	
5 to 21 years of age	323
Number persons in town, census April 1, 1942,	
5 to 21 years of age	314
Number resident students, E. C. A., 1941-42	60
Number resident students, E. C. A., 1942-43	
Number pupils, elementary schools, 1941-42	198

Number pupils, elementary schools, 1942-43	175
Number pupils conveyed, 1941-42	99

Average cost per pupil for conveyance, per year	31.26
Average cost per pupil for textbooks and supplies	3.23
Average cost per pupil, all expense	45.25
Average tax rate in state for school purposes	.01402
School tax rate in town	.01731

### CLOSING

In closing the report of the schools for this year there is a feeling of considerable uncertainty about their future. Just what, and where, their place will be in community affairs in the immediate years to come is a matter for serious reflection.

For many years in the past it has not been necessary to consider the school situation in the same light as at present. The pupils have been given their work with the main point in view of development of mind and body for future activities in which they might be employed, and which would afford them a livelihood, and proper recreation, when they would become adult age. There is hope that this viewpoint may not be forgotten, or wholly eliminated.

The teacher situation is seriously acute. Information that, at least, 1000 teachers have left teaching employment in the state since the last school year, for various reasons. This does indicate a problem as to how the boys and girls are to continue their school work under the leadership the parents desire them to have.

Another problem for consideration is how much the teachers' services are financially worth to the community. In the other professions and trades the financial return is far more than in the teaching profession, so that it is to be expected the teachers may seek other employment. This is a matter that these towns must seriously consider in making the appropriations this year.

These boys and girls should have adequate instruction during their formative years. It is a duty owed them in the midst of all the chaos surrounding us in the world's affairs.

Respectfully submitted,

H. D. RIDLON,

*Superintendent of Schools.*

## REPORT OF HIGH SCHOOL PRINCIPAL

---

It gives me great pleasure to present my first report as the Principal of East Corinth Academy.

The teachers at East Corinth Academy are as follows: Merton L. Smith, Principal, graduate of the University of Maine, instructor in Mathematics, Science, and Aviation; Lester E. Felt, graduate of the University of Maine, instructor in Agriculture; Mrs. Grace Grant, graduate of Colby, instructor in English, French, and Latin; Dorothy Day, graduate of University of Maine, instructor in English, History, and Spanish. Three of the above instructors are in their first year at East Corinth Academy, Mr. Felt being the only instructor that returned to the Academy from last year's faculty.

School began September 15, with an enrollment of 73 students. At the present time we have only 60 students, as some have transferred to other localities and others have left to engage in other work. The enrollment according to classes and courses are as follows:

Class	Agriculture		Classical		English	
	Boys	Girls	Boys	Girls	Boys	Girls
Freshmen	8	0	0	4	1	5
Sophomores	8	0	2	1	0	8
Juniors	7	0	0	1	0	1
Seniors	1	0	0	3	2	8
	—	—	—	—	—	—
Total	24	0	2	9	3	22

As this is war time, we have been required to put in a couple of new courses in our curriculum which the War Department and the State Department of Education advise to be the most helpful to the boys and girls in these times. We tried to choose the subjects that would be the most helpful and most interesting to the students and the ones that could be easily arranged with the rest of the studies. We

finally chose Spanish and Areonautics, the two leading ones in most of the New England States.

We also have been required to have a Physical Fitness program, which is to help keep the pupils in the best of health and to fit them for the strenuous tasks before them if this is to be a long war. The boys and girls have separate classes as the boys program is more strenuous than the one divided for the girls. We are giving this program five days a week and it is required by every boy and girl in the student body.

The athletic program has been curtailed to a certain degree this year, due to the strict traveling conditions. We have had several games so that we would not have to discard it entirely. The boys and girls that participate in this program enjoy it very much and were sorry to have it shortened.

Recently we lengthened our school day in order to close earlier in the Spring. By doing this we are making it possible for the boys and girls to help on the farms or any other place that they might be needed.

Since pupils are compelled to take extra courses this year and cannot have much of an athletic program, I would suggest that we have some form of relaxation in the school. One of these might be music, which appeals to most students. In order to have this program, we should have an instructor come in at least once a week. I wish that we could arouse enough interest in this particular subject to enable us to have such an instructor. The students have expressed a great desire and interest for this to be done.

I wish to express my appreciation of the cooperation given me by the students, the Board of Trustees, parents and citizens of East Corinth, in my first year as Principal of the Academy. The teachers and myself, will be pleased to receive anyone at anytime who cares to visit any classes in session or to discuss any phase of the school work.

Respectfully submitted,

MERTON L. SMITH

## REPORT OF THE PUBLIC HEALTH NURSE--1942

---

### CORINTH

The present war emergency has made it more important than ever that each member of the family and community keep in the best possible health. To this end the Public Health Nurse uses her time in your township. The health protection of the prenatal mother, the infant, and the pre-school age child is of first importance. However, the health of the school child is emphasized through co-operation with parents and school authorities in planning for better health services to him.

Visits have been made to mothers before the baby was born for the purpose of helping secure necessary equipment for confinement, stress importance of early medical care and to help carry out the doctor's orders. This is the time when care to the mother is most beneficial both for her health and the baby to be born.

Visits were made to mothers after the baby was born to stress importance of rest, good diet and a return visit to the doctor for examination after the baby is born.

Many visits were made to infants to assist mother in forming a routine, interpret doctor's orders and to help mother introduce new foods into the diet as the baby grows.

Preschool children were visited for the purpose of carrying on what had been taught in infancy, to stress importance of immunization against various communicable diseases so as to send a healthier child to school.

Two child health conferences were held at Dr. Skolfield's office sponsored by the State Bureau of Health. Diphtheria toxoid and smallpox vaccinations were offered.

Arrangements had been made to give tuberculin skin tests at all schools in December. Unfortunately the village schools were closed at this time due to trouble with the

heating plant at the Academy, making it possible to test the rural schools only. The positive reactors were x-rayed at the Chest X-ray Clinic held December 16 at the Academy. It is hoped that we can test the village schools in January.

Hearing tests by use of the audiometer were given in all but the Academy and Grammar Schools. This is to be given January 6, 1943.

From time to time home visits made to parents of school children have been necessary in order to explain need of dental, vision, and hearing corrections to guard against communicable disease.

It is hoped that in the near future a Local Health Committee made up of a representative from each organization can be formed. Then the health problems of the town could be discussed and decided upon by those who know them best. The need for such a committee has been pointed out by the Public Health Nurse.

MISS GEORGINA PATTERSON

*Public Health Nurse.*

## THE ATKINS MEMORIAL LIBRARY REPORT

---

*To the Citizens of the Town of Corinth:*

I herewith submit the annual report of the Atkins Memorial Library.

A decided drop in circulation has been noted. This is due, no doubt, to the various activities of the abnormal times.

The collection of books is steadily growing, although a small percentage must be withdrawn each year because of condition, loss or charged and not returned.

During the recent Victory Book Drive, sixty-five books in excellent condition were contributed and forwarded to Bangor.

Gifts of periodicals have been received, and also gifts of books.

Received for fines	\$ 7.35
State Stipend	12.50
Ellen A. Coggins Fund	6.25

### TRUSTEES OF THE ATKINS MEMORIAL LIBRARY ASSOCIATION

John Barker	Term expires January 1946
Leon Tiplady	Term expires January 1945
Elvira Everett	Term expires January 1944
Abner M. Frazier, ex officio, as Chairman of the Board of Selectmen	
Vernon A. Craig	Permanent member
Z. R. Duran	President of the Association

At the annual meeting held Jan. 11, 1943, it was voted to serve a May breakfast.

Respectfully submitted

GERDA R. PERKINS,  
*Librarian.*

## REPORT OF MUSIC SUPERVISOR

---

### *Superintending School Committee:*

I herewith submit my second report as Music Supervisor of the schools of Corinth for year 1942-1943.

The regular music work has been carried out as usual in all the schools and very good results are being obtained in spite of the many breaks in the program, in some cases due to change of teachers, weather and days off for various things.

The graduation in June took place after some discussion and the pupils did very well to carry off the situation in the manner in which they did. These programs where all the school participate is fine training and the pupils become acquainted with each other before reaching High School.

New books have been introduced in the Intermediate grades and great interest is being shown among the pupils especially the boys, who are doing fine work in three part singing. This will show a very definite carry over into the Grammar grades where part singing is always a problem among the boys with changing voices.

Due to tire and gas restrictions each section of the town will need to cooperate more with the schools to encourage the pupils to continue their good work so that they will be fitted to be of greater help to the community when things are normal once more. Music is always an addition to any program, and it is hoped that any society will feel free to call upon the school children and music department to assist in any way possible at any time.

Special stress is being laid this year on diction. Often this habit of speaking indistinctly is a carry over from baby days and unless corrected, is a handicap all through life, and we find that many children who have difficulty in singing well have this fault. Parents can be of a great assist-

ance in this by helping at home with the child who does not speak distinctly, just say the word plainly and insist that the child repeat it slowly using tongue and lips. A great improvement is already noted in many cases and it is hoped that by the end of the year that especially in the lower grades many will have overcome the trouble.

Appreciation has been taught in all classes, but here again is the lack of suitable material such as victrolas in every room and records that bring to the pupils experiences that they will enjoy and thus as they hear much of the same music over the radio be able to appreciate what they are hearing. It is proved time after time that the understanding of a thing brings enjoyment and unless the right kind of music is taught the understanding is very limited, whereas if the right types are presented in the right way the enjoyment is much broader in scope. We must train these boys and girls who are in our schools now to a better knowledge of this type of music for in reading we find that the people who are working with the boys in the camps find a great difference in their tastes in this war than in the last. Quoting from an article by one of our leading concert singers, Lawrence Tibbett, he says: "Twenty-five years ago the concert singer appearing before the soldiers and sailors had to stick pretty much to the simpler songs, such as 'There's a Long, Long Trail,' 'K-K-K-Katy,' 'Dear Old Pal of Mine,' and songs of that type, but my experience in today's camp audiences is that they respond to more highly developed musical fare. Requests are not for the simpler songs, but for many of the standard concert songs and arias from many of the operas. In one place (and this could not have happened in the last war), I responded to a request to sing the Evening Star from Tannhauser, and I sang it in German. This is not a war against a language.

"Since our military forces are a cross section of our civilian population this improved musical appreciation may logically be considered a reflection of America's general musical development during the past quarter of a century.

Many factors have entered into it; among them the extensive musical curricula of our public schools and colleges, the phenomenal development of the radio, and the greatly improved technique of phonograph recording. More people than ever before have been exposed to the contagion of fine music."

Thus after reading what one man who sang to the boys in both wars has to say, let us not neglect these boys and girls who are in our schools today. If in any way any of the citizens can assist by giving money for records or helping to obtain musical instruments for the schools, we will all be doing a bit in the work of reconstruction that must come after this war is over so that the boys and girls will not blame us for neglecting them during this upset in normal living.

I wish to express my thanks to Mr. Ridlon for hearty cooperation in any assistance that I have asked for and for the splendid help the teachers have always given to whatever I have suggested along this line of work, the work they do each day is what counts in making music a live project to the pupils.

Respectfully submitted,

FLORENCE HOMER.

## TOWN WARRANT

---

County of Penobscot

State of Maine.

*To Frank T. Brooks, a constable in the town of Corinth,  
County of Penobscot,*

GREETING:

In the name of the State of Maine, you are hereby required to warn and notify the inhabitants of said town, qualified by law to vote in town affairs, to meet at the Town House in said town, on Monday, the eighth day of March, A. D. 1943, at 9:30 o'clock in the forenoon to act on the following articles, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a town clerk for the ensuing year.

Art. 3. To see if the town will vote to accept the town report, subject to State audit.

Art. 4. To elect three or more selectmen for the ensuing year.

Art. 5. To elect three or more assessors for the ensuing year.

Art. 6. To elect three or more overseers of the poor for the ensuing year.

Art. 7. To elect a fire inspector for the ensuing year.

Art. 8. To elect two members of the superintending school committee, one to serve two years and one to serve three years.

Art. 9. To elect a member of the cemetery trustees to serve three years.

Art. 10. To elect a town treasurer for the ensuing year.

Art. 11. To elect a collector of taxes for the ensuing year.

Art. 12. To elect a road commissioner for the ensuing year.

Art. 13. To choose constables, sextons, fence viewers, measurers of wood and bark, surveyors of lumber and all other necessary town officers.

Art. 14. To see what sum of money the town will vote to raise and appropriate for elementary schools.

Art. 15. To see what sum of money the town will vote to raise and appropriate for elementary school books.

Art. 16. To see what sum of money the town will vote to raise and appropriate for elementary school supplies.

Art. 17. To see what sum of money the town will vote to raise and appropriate for repairs of elementary school buildings.

Art. 18. To see what sum of money the town will vote to raise and appropriate for insurance on elementary school buildings.

Art. 19. To see what sum of money the town will vote to raise and appropriate for superintendent of schools.

Art. 20. To see what sum of money the town will vote to raise and appropriate for free high school.

Art. 21. To see what sum of money the town will vote to raise and appropriate to pay interest.

Art. 22. To see if the town will vote to authorize the superintending school committee to make a contract with and pay the trustees of East Corinth Academy for the tuition of its pupils qualified to attend such a school.

Art. 23. To see if the town will vote to have medical inspection in the schools and raise a sum of money for that purpose or act on anything relating thereto.

Art. 24. To see if the town will vote to have music taught in the schools and raise a sum of money for that purpose or act on anything relating thereto.

Art. 25. To see if the town will vote to raise and appropriate \$50.00 for public health nursing in Corinth; said sum to be expended by the State Bureau of Health, for local service.

Art. 26. To see what sum of money the town will vote to raise and appropriate for charities.

Art. 27. To see what sum of money the town will vote to raise and appropriate for street lights.

Art. 28. To see what sum of money the town will vote to raise and appropriate for summer roads.

Art. 29. To see if the town will vote to plow snow on all town roads acceptable to the State Highway Commission, and raise a sum of money for that purpose or take any action relating thereto.

Art. 30. To see what sum of money the town will vote to raise and appropriate for the purchase of fire fighting equipment, or act on anything relating thereto.

Art. 31. To see if the town will vote to raise and appropriate a sum of money for the purpose of cutting bushes on approved highways, or act on anything relating thereto.

Art. 32. To see what sum of money the town will vote to raise and appropriate for winter roads.

Art. 33. To see what sum of money the town will vote to raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter 28, R. S. 1930, or under the provisions of Chapter 213, P. L. 1941.

Art. 34. To see what sum of money the town will vote to raise and appropriate for patrol roads.

Art. 35. To see if the town will vote to raise and appropriate the sum of \$669.00 for the maintenance of third class roads, the above amount being the sum necessary for the town to raise to entitle it to the apportionment of money for third class road construction under the provision of Sections 44 and 46, Revised Statutes of 1930, as amended by Sections 4 and 5 of Chapter 229, P. L. 1937.

Art. 36. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

Art. 37. To see what sum of money the town will vote to raise and appropriate for fire inspector and constable.

Art. 38. To see what sum of money the town will vote to raise and appropriate to procure from Atkins Memorial

Library Association the free use of its books for the inhabitants of the town of Corinth, as provided by Chapter 5, Section 28, R. S. Maine, or act on anything relating thereto.

Art. 39. To see what sum of money the town will vote to raise and appropriate for health and sanitation.

Art. 40. To see what sum of money the town will vote to raise and appropriate for mothers' aid.

Art. 41. To see if the town will vote to authorize the selectmen, on behalf of the town, to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon, including real estate conveyed to the town, on such terms as they deem advisable, and to execute quit claim deeds for such property, and ratify and confirm any such deeds heretofore given by the selectmen, in behalf of the inhabitants of the town, purporting to convey the interest of the town.

Art. 42. To see what method the town will adopt for the collection of taxes in 1943.

Art. 43. To see if the town will vote to make it compulsory for the treasurer to collect interest on all tax liens from date of execution until paid.

Art. 44. To see if the town, for the purpose of obtaining a temporary loan or loans to and for the use of the town in conducting its municipal business in the current municipal year of 1943 and in anticipation of and to be paid out of taxes of the municipal year of 1943, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time during said municipal year, a sum or sums not exceeding in the aggregate the sum of \$5,000.00 and to make, execute and deliver the negotiable note or notes therefor, payable within the

current municipal year and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money to be raised by taxation at the annual town meeting held March 8th, 1943.

Art. 45. To see if the town will vote to authorize the assessors to rescind any amounts appropriated by the town for State Aid Highway construction in excess of the amount required to meet State apportionments.

Art. 46. To see what sum of money the town will vote to raise and appropriate for town officers.

Art. 47. To see if the town will vote to raise and appropriate a sum of money for civilian defense, or act on anything relating thereto.

Art. 48. To see if the town will vote to authorize the selectmen to sell the buildings on the Annie Kimball place, or act on anything relating thereto.

You will give notice that the selectmen will be in session at the Town House in said town at eight-thirty o'clock in the forenoon on the day above mentioned for the purpose of correcting the list of voters.

Hereof fail not and have you there this warrant with your doings written thereon.

Given under our hands at Corinth this 20th day of February, A. D. 1943.

ABNER M. FRAZIER  
LEON F. TIPLADY  
ARTHUR W. CAMPBELL  
*Selectmen of Corinth*

### NOTICE!

The Ladies Aid of the Methodist Church will serve a dinner on Town Meeting day.

ZOPHER R. DURAN, Town Clerk.

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the Superintending School Committee and Citizens of the Town of Corinth:

The annual report of the Superintendent of Schools for the municipal year, 1943-44, is submitted for your consideration.

### EAST CORINTH ACADEMY

You are respectfully referred to the report of Principal Merton L. Smith.

### ELEMENTARY SCHOOLS

The following is a list of teachers employed and number of weeks in each school for which salaries have been paid within the municipal year:

#### WINTER TERM, 1942-43

<i>Teacher</i>	<i>School</i>	<i>No. Weeks</i>
Mrs. Neota C. Mitchell	Grammar	7
Mrs. Gerda R. Perkins	Intermediate	7
Mrs. Marjorie F. Page	Primary	7
Mrs. Alice F. Whitney	Bean's Mills	7
Mrs. Ada D. McCard	West Corinth	7
Mrs. Gladys H. Seavey	Robieville	8

#### SPRING TERM

Mrs. Neota C. Mitchell	Grammar	11
Mrs. Gerda R. Perkins	Intermediate	10
Mrs. Marjorie F. Page	Primary	10
Mrs. Alice F. Whitney	Bean's Mills	10
Mrs. Asa D. McCard	West Corinth	10
Mrs. Gladys H. Seavey	Robieville	11

## FALL TERM

<i>Teachers</i>	<i>School</i>	<i>No. Weeks</i>
Mrs. Neota C. Mitchell	Grammar	15
Mrs. Gerda R. Perkins	Intermediate	15
Mrs. Marjorie F. Page	Primary	15
Mrs. Alice F. Whitney	Bean's Mills	15
Mrs. Ada D. McCard	West Corinth	15
Mrs. Merle B. Wiseman	Robieville	15

## WINTER TERM, 1943-44

Mrs. Neota C. Mitchell	Grammar	4
Mrs. Gerda R. Perkins	Intermediate	4
Mrs. Marjorie F. Page	Primary	4
Mrs. Alice F. Whitney	Bean's Mills	4
Mrs. Ada D. McCard	West Corinth	4
Mrs. Merle B. Wiseman	Robieville	4

## REGISTRATION IN GRADES

Grades	Sub-Primary	1	2	3	4	5	6	7	8	Total
Grammar	0	0	0	0	0	0	4	8	5	17
Intermediate	0	0	0	4	9	9	0	0	0	22
Primary	11	10	8	0	0	0	0	0	0	29
Bean's Mills	5	4	1	3	3	1	2	4	8	31
West Corinth	4	1	6	2	4	5	4	2	1	29
Robieville	2	0	1	2	1	5	3	3	0	17
	—	—	—	—	—	—	—	—	—	—
Total	22	15	16	11	17	20	13	17	14	145

## INSTRUCTION

The same teachers are in the respective schools this year as last, except that Mrs. Merle B. Wiseman is in the Robieville school this year.

The rearrangement of the grades in the village schools mentioned in the report last year was carried out with the beginning of the present school year. The plan was only

a return to the previous arrangement which was changed when the grammar school became overcrowded.

There is an even greater shortage of teachers this year than was reported one year ago. This town is fortunate in having people who are interested in teaching.

## MUSIC

You are respectfully referred to the report of Miss Florence H. Homer, Music Supervisor.

## HEALTH

You are respectfully referred to the report of Miss Georgina Patterson, Public Health Nurse.

## REPAIRS

The only large item of repairs this year has been the painting of the Robieville school building. Other repairs have been of a minor nature.

It has not been possible this year to make the repairs on the primary school room floor. This remains for consideration as soon as possible. The Bean's Mills building should be shingled and the west side of the roof of the Robieville building should be shingled. The blackboards in all the school rooms should be painted. The entrance door at the West Corinth building should be placed in good condition. Other repairs will be small.

## FLAGS

An Act passed by the 1943 legislature requires the towns to make annual appropriations for purchase of flags and flagstaffs for all school buildings, and to make the appropriations separate from the usual school appropriations.

This requirement should have your attention this year.

Provision should be made for repair or new constrution on all the buildings except the village school building.

### EQUALIZATION FUND

The town has received \$2,170.00 in this fund this year. It has been allocated to the general funds for schools.

The statement of the State Department of Education assigns the sum of \$2,095.00 to this town for the next year.

### FINANCIAL STATEMENT

You are respectfully referred to the report of the Selectmen for the financial statement of the school department.

### RECOMMENDATIONS

You are referred to the report of the Selectmen for the list of recommendations for this department.

### SUMMARY OF SCHOOL CONDITION

Number of persons in town, census, April 1, 1942	
5 to 21 years of age	314
Number persons in town, census, April 1, 1943,	
5 to 21 years of age	297
Number of resident students, E. C. A., 1942-43	62
Number resident students, E. C. A., 1943-44	44
Number pupils, elementary schools, 1942-43	187
Number pupils, elementary schools, 1943-44	145
Number pupils conveyed, 1942-43	89
Number pupils conveyed, 1943-44	66
Average cost teachers' salaries, per week	\$22.06
Average cost teaching per pupil, per week	.83
Average cost teaching per pupil per year	30.36
Average cost in all school per week, 219 weeks	47.54

Average cost in all schools per week for year,	
6 schools	285.24
Average cost per pupil for conveyance, per week	1.33
Average cost per pupil for conveyance, per year	49.45
Average cost per pupil for text books and supplies	3.73
Average cost per pupil, all expense	62.83
Average tax rate in state for school purposes	.01485
Average tax rate in state for municipal purposes	.05789
School tax rate in town	.02081

### CLOSING

The school report is submitted this year in much the same spirit as one year ago.

The schools are continuing with the assistance of all the citizens in trying to maintain them for the boys and girls of the community. The standard, as far as possible, is kept up due to the interest of the teachers. Their future maintenance is a part of the welfare of the town, and, so far as the town is able, that welfare will be their established standard.

A material increase in the appropriations for the department is advised. Textbooks and supplies are increasing in price, with some types of supplies entirely out of the market. All the other expense involved in school maintenance will, no doubt, show a marked increase, that will have to be met as it arises.

The greatest concern is felt in the teacher situation. It appears now as if there is no present solution of the problem. Employment in industry at relatively high salaries is taking a toll among the instructors. An ever increasing interest in our country's services is another explanation. A marked reduction in the number of persons in teaching preparation is noted. Many other interests are drawing away those who might be expected to carry on the school-room work.

Many schools are closed. It seems probable that many of the smaller schools cannot continue in session beyond the present school year. And this is due to teacher shortage. An interest in teacher preparation must be aroused. Additional interest is necessary in undertaking to make the salary schedule attractive to those who may desire to enter the teaching profession. Competition among communities on salary schedules to be offered is certain.

It is going to require extraordinary effort to meet an extraordinary situation. The young people have a right to expect it will be met in their behalf.

*Respectfully submitted,*

H. D. RIDLON,  
*Superintendent of Schools.*

## REPORT OF MUSIC SUPERVISOR

---

*Superintending School Committee, Corinth, Maine.*

Herewith I submit my third report as Supervisor of Music in the town of Corinth for the year 1943-44.

Due to the rearrangement of the grades in the village school, the work in music has been adjusted to suit the new arrangement and very good work has been done so far this year. The work in the upper grades has been much more satisfactory than in the past two years even though the grades are few in number, the interest has been much keener and three part music has become a regular part of the music work, as it should be. This is an advance, especially where the music work is not continued in High School, so this is all the part singing that the pupils receive.

The lower grades in the village have done good work and in the primary grades much interest is shown in the rhythm band, this can be carried on with the three grades in that room and great help is given the pupils in the development of their sense of rhythm.

In the rural schools the work is progressing well, songs of our armed forces have been a part of the program in music as well as the regular work. The lack of a musical instrument in the Robieville school is keenly felt and it is hoped that there is some person in the community that may feel it is their patriotic duty to present the school with either an organ or piano. A number of programs have been presented by the different schools for the purpose of raising money as well as giving pleasure to the citizens of the community.

Appreciation has been taken up by reading the book called "Alice in Orchestralia." This is a story of a little girl who is attending her first Symphony concert with her mother and not knowing much about the instruments she is hearing she falls asleep and the big bass viol takes her to the land of Orchestralia where she visits the capital of the country, Fiddladelphia and also the towns of Panapolis, Brassydale and Battery. In this manner the instruments of the different families are presented to the pupils in such a manner that they will remember them and enjoy hearing music that usually frightens the average listener because it is by a Symphony orchestra and because they know very little about a well balanced orchestra. I feel this is essential for in the years to come these boys and girls will have in their own home television sets and a greater enjoyment will be theirs if they can watch as well as hear some of the grand music played by some of the fine orchestras that our cities sponsor and which now are only heard by a small group and seen by a far smaller group of people. It is only in this way that we can teach our boys and girls there is something more to music and the enjoyment of listening than the type we have too much of in many of our programs on the air.

It is hoped that sometime in the near future that the music program can be continued in the Academy. The foundation is just being laid in the grades and during the High School years the advanced work of Glee clubs and the presentation of operettas, etc., are of great value to the pupils and also to the small community. The heads of our armed forces feel that music is of great importance to our boys and it is being carried to them all over the world both by air and by the formation of bands, orchestras and singing groups among the boys themselves. Let us do our part here at home in helping to have music for them when they return.

I extend a cordial invitation to parents and friends to

visit the schools during the music class and I am always glad to assist in preparing programs for use in the community.

I wish to express my thanks to Mr. Ridlon and to the teachers for their splendid help and co-operation for without their assistance the work would not progress as it has.

Respectfully submitted,

FLORENCE HOMER,

*Music Supervisor.*

## REPORT OF THE HIGH SCHOOL PRINCIPAL

---

It gives me great pleasure to present my second report as the Principal of East Corinth Academy.

East Corinth Academy opened this year with two of last year's instructors and two new ones. They were Merton L. Smith, Principal, and instructor of Mathematics and Sciences; Lester E. Felt, instructor in Agriculture; Mrs. Cecil Cogle, instructor in English, French, Latin, replacing Mrs. Grace Grant; and Mrs. Marion Johnson, instructor in English and History, replacing Miss Dorothy Day. After eight weeks of school Mrs. Cogle resigned. We were very fortunate in these times when teachers are so scarce to secure Miss Lottie Wanagel, a graduate of Colby College, to replace her.

Since we were not able to find anyone to take Mrs. Cogle's place until the beginning of the Winter term, an extra load was carried by the remaining staff. I wish to express my sincere appreciation for their kind cooperation during this emergency.

School began September 13, with an enrollment of 60 students. This is a slight decrease over the previous years, but we must expect this as more and more students are called for induction in the Armed Services, while others transfer to other localities, and still others leave to take their places in other work. The enrollment according to classes is as follows:

	No.			Left	Total
	Total Registered	Boys	Girls	School	Now
Seniors	6	3	2	1	5
Juniors	16	8	6	2	14
Sophomores	18	9	8	1	17
Freshmen	20	9	9	2	18
	—	—	—	—	—
Total	60	29	25	6	54

East Corinth Academy offers three courses, namely: Agricultural, Classical, and English. There are all courses approved by the State Department of Education for a Class A Academy. Each pupil is allowed to choose the course he wants to pursue. Some subjects in each course are required, others elective. Every student must take at least four subjects a year which give four credits as sixteen credits are necessary for graduation.

The girl's and boy's basketball program was carried out to a greater degree this year. We were able to contact more schools for participation as most schools resumed their programs of previous years. We joined the league and won seven of the eight games played. Boys and girls that take part in this program enjoy it immensely. It teaches them cooperation, sportsmanship, friendliness, besides a form of relaxation.

Physical training started this fall to the same program as carried out last year and as recommended by the State Department of Education. When we lost one of our teachers this program had to be curtailed as we were unable to carry it along with the extra subjects and duties that we had to carry until the services of a new teacher was acquired. Now that we are back to our former staff of teachers, and the gym floor has been reconditioned we now have resumed our P. T. classes.

I would like at this time to bring to the attention of the townspeople some of the remarkable work being carried out by our Agricultural students, under the able supervision of Mr. Lester Felt. Following is a list of some of the projects:

(1) Last year they hatched and sold 55,000 day old and started chicks. They now have a 10,000 egg capacity incubator and hatching unit paid for and the prospects for a good season ahead. (2) They carried out supervised farm production projects to aid the war effort, having a

market value of over \$8,000,000. These projects were largely poultry, egg, mutton, wool, and field corn enterprises. (3) The boys treated about 400 head of sheep with Phenothiagine for control of internal parasites as a community service enterprise. A number of flocks of laying birds were also culled as a community service. (4) Farm machinery was repaired in farm shop and farm equipment was built at an estimated value of \$800.00. The equipment consisted of range shelters, poultry feeders, concrete hog troughs, etc. (5) This chapter has been emphasizing sheep projects, especially the past year. There are now nearly 400 head of high grade and registered ewes in the chapter projects. The Maine Development Commission through the interest of Samuel Dorrance, State Livestock Specialist, and Carl Smith, State Commissioner of Agriculture, recently voted to donate a flock of 20 registered Hampshire sheep to the East Corinth Chapter as a cooperative project. East Corinth Chapter was voted to receive this donation as the Commission felt sheep would make a good showing in this community with boys already experienced along these lines. There are no strings attached to this proposition and Dorrance stated they expected to pay as high as \$50.00 per head, for the ewes, which are to be selected from a flock of 400 in New York State.

We feel this is a great honor as only one other school in the state is to receive a similar flock of registered ewes.

I wish to express my appreciation of the cooperation given me by the Board of Trustees, parents and citizens of East Corinth.

Respectfully submitted,

MERTON L. SMITH.

## REPORT OF THE PUBLIC HEALTH NURSE--1943

---

Public health nursing is concerned with securing and maintaining better health for all members of the community. Knowing that whatever is done to assure physical and mental health during maternity, infancy, childhood and youth will affect the health of the adult population, we have as in the past, placed the most emphasis on the work with the pregnant mother, the infant and the preschool child. If we stress health protection at these periods we are paving a health road on which the child entering school will travel. With the scarcity of doctors and with those who are holding forth on the home front doing double duty it is our responsibility to keep well.

Visits to mothers before the baby was born have been made to stress the importance of early medical care, to help carry out the doctor's orders and to help secure the necessary equipment for the confinement. A decrease in the death rate of expectant mothers is the result of early medical care. Let us work for a greater decrease.

Visits were made to mothers after the baby was born to emphasize importance of returning to the doctor for an examination and to help in adjusting the daily routine so she will get the proper rest and diet.

Many visits were made to young infants to urge the mother to keep the baby under medical supervision, to have him immunized against diphtheria and vaccinated against smallpox. When necessary assistance was given the mother in planning a daily schedule for the baby. Special emphasis was placed on the prevention of communicable diseases which take such a heavy toll in childhood.

Two Child Health Conferences were held during the summer. Valuable assistance was given by the teachers and women interested in the welfare of children. The public health nurse did follow up visits to the children attending these conferences in their homes and assisted the mothers in carrying out the physician's recommendations regarding diet and rest or gave help in solving any other problems.

Under the Crippled Children's program arrangements were made for handicapped children to receive treatment and follow up visits were made to assist in carrying out treatment and to help children to make the most of their handicap. In some of these cases great improvement has been shown.

In March eighty-five students and teachers were tuberculin tested in the village, grades and the Academy. The rural schools were done the previous year. There were ten positive reactors and with the exception of one adult all were X-rayed at the Orono chest clinic. No active tuberculosis was found.

As was stated in last year's report a Health Committee made up of townspeople interested in the health problems of the town would be of great value.

Much credit is due the teachers in your town for the great cooperation shown in the School Health Program. It is only in this way that we can expect a raise in healthier population. Today's children are tomorrow's citizens.

GEORGINA PATTERSON,

*Public Health Nurse.*

## REPORT OF ATKINS MEMORIAL LIBRARY

---

### *To the Citizens of Corinth:*

A drop in circulation is noted in reports from libraries throughout the state and nation. However, our circulation has increased slightly since last year's report.

Gifts of books and magazines have been received from friends in Corinth, and from friends in Bangor.

A large number of juvenile books were purchased this year as it seemed advisable to attract and stimulate our young citizens to become regular patrons of the library.

Miss Marie Rowe is serving as assistant and is filling that position very acceptably.

### Trustees of the Atkins Memorial Library Association:

Paul Freese	Term expires January, 1945
John Barker	Term expires January, 1946
Elvira Everett	Term expires January, 1947
L. F. Tiplady, ex-officio, Ch. Board of Selectmen	
V. A. Craig, Permanent Member	
Z. R. Duran, President of the Association.	

At the annual meeting held Jan. 10, 1944, it was voted to serve a May breakfast.

Respectfully submitted,

GERDA R. PERKINS,

*Librarian.*

# WARRANT

---

County of Penobscot

State of Maine

*To Frank T. Brooks, a Constable in the Town of Corinth, in  
the County of Penobscot,*

GREETINGS:

In the name of the State of Maine, you are hereby required to warn and notify the inhabitants of said town, qualified by law to vote in town affairs, to meet at the Town House in said town on Monday, the thirteenth day of March, A. D. 1944, at nine-thirty o'clock in the forenoon to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a town clerk for the ensuing year.

Art. 3. To see if the town will vote to accept the town report, subject to State audit.

Art. 4. To elect three or more selectmen, for the ensuing year.

Art. 5. To elect three or more assessors, for the ensuing year.

Art. 6. To elect three or more overseers of the poor, for the ensuing year.

Art. 7. To elect a fire inspector for the ensuing year.

Art. 8. To elect a member of the superintending school committee to serve three years.

Art. 9. To elect a member of the cemetery trustees to serve three years.

Art. 10. To elect a town treasurer for the ensuing year.

Art. 11. To elect a collector of taxes for the ensuing year.

Art. 12. To elect a road commission for the ensuing year.

Art. 13. To choose constables, sextons, fence viewers, measurers of wood and bark, surveyors of lumber and all other necessary town officers.

Art. 14. To see what sum of money the town will vote to raise and appropriate for elementary schools.

Art. 15. To see what sum of money the town will vote to raise and appropriate for elementary school books.

Art. 16. To see what sum of money the town will vote to raise and appropriate for elementary school supplies.

Art. 17. To see what sum of money the town will vote to raise and appropriate for repairs of elementary school buildings.

Art. 18. To see what sum of money the town will vote to raise and appropriate for insurance on elementary school buildings.

Art. 19. To see what sum of money the town will vote to raise and appropriate for superintendent of schools.

Art. 20. To see what sum of money the town will vote to raise and appropriate for free high school.

Art. 21. To see what sum of money the town will vote to raise and appropriate to pay interest.

Art. 22. To see if the town will vote to authorize the superintending school committee to make a contract with and pay the trustees of East Corinth Academy for the tuition of its pupils qualified to attend such school.

Art. 23. To see if the town will vote to have medical inspection in the schools and raise a sum of money for that purpose or act on anything relating thereto.

Art. 24. To see if the town will vote to have music taught in the schools or act on anything relating thereto.

Art. 25. To see what sum of money (if any) the town will raise and appropriate for the purchase of flags and flag display equipment for the school buildings in town.

Art. 26. To see if the town will vote to raise and appropriate \$50.00 for public health nursing in Corinth; said sum to be expended by the State Bureau of Health, for local service.

Art. 27. To see what sum of money the town will vote to raise and appropriate for charities.

Art. 28. To see if the town will vote to install a street light at the four corners on the ridge road and raise and appropriate a sum of money for that purpose.

Art. 29. To see if the town will vote to install a street light at the north end of the Black road and raise and appropriate a sum of money for that purpose, or act on anything relating thereto.

Art. 30. To see what sum of money the town will vote to raise and appropriate for street lights.

Art. 31. To see what sum of money the town will vote to raise and appropriate for summer roads.

Art. 32. To see if the town will vote to plow snow on all town roads acceptable to the State Highway Commission, and raise a sum of money for that purpose, or take any action relating thereto.

Art. 33. To see if the town will vote to raise and appropriate a sum of money for the purpose of cutting bushes on approved highways, or act on anything relating thereto.

Art. 34. To see what sum of money the town will vote to raise and appropriate for winter roads.

Art. 35. To see what sum of money the town will vote to raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter 28, R. S. 1930, or under the provisions of Chapter 213, P. L. 1941.

Art. 36. To see what sum of money the town will vote to raise and appropriate for patrol roads.

Art. 37. To see if the town will vote to raise and appropriate the sum of \$669.00 for the maintenance of third class roads, the above amount being the sum necessary for the town to raise to entitle it to the apportionment of money for third class road construction under the provision of Sections 44 and 46, Revised Statutes of 1930, as amended by Sections 4 and 5 of Chapter 229, P. L. 1937.

Art. 38. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

Art. 39. To see what sum of money the town will vote to raise and appropriate for fire inspector and constable.

Art. 40. To see what sum of money the town will vote to raise and appropriate to procure from Atkins Memorial Library Association the free use of its books for the inhabitants of the Town of Corinth, as provided by Chapter 5, Section 28, R. S. Maine, or act on anything relating thereto.

Art. 41. To see what sum of money the town will vote to raise and appropriate for health and sanitation.

Art. 42. To see what sum of money the town will vote to raise and appropriate for mothers' aid.

Art. 43. To see if the town will vote to authorize the selectmen, on behalf of the town, to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon, including real estate conveyed to the town, on such terms as they deem advisable, and to execute quit claim deeds for such property, and ratify and confirm any such deeds theretofore given by the selectmen, in behalf of the inhabitants of the town, purporting to convey the interest of the town.

Art. 44. To see what method the town will adopt for the collection of taxes in 1944.

Art. 45. To see if the town will vote to purchase a parcel of land from Merton McLaughlin to enlarge the playground of the Corinth school and raise and appropriate a

sum of money for that purpose, or act on anything relating thereto.

Art. 46. To see if the town will vote a date when taxes are due and payable and a date from which interest may be charged. R. S. Chapter 14, Sections 1 and 2.

Art. 47. To see if the town, for the purpose of obtaining a temporary loan or loans to and for the use of the town in conducting its municipal business in the current municipal year of 1944 and in anticipation of and to be paid out of taxes of the municipal year of 1944, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time during said municipal year, a sum or sums not exceeding in the aggregate the sum of \$5,000.00 and to make, execute and deliver the negotiable note or notes therefor, payable within the current municipal year and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money to be raised by taxation at the annual town meeting held March 13th, 1944.

Art. 48. To see what sum of money the town will vote to raise and appropriate for town officers.

Art. 49. To see if the town will vote to raise and appropriate a sum of money for civilian defense, or act on anything relating thereto.

You will give notice that the Selectmen will be in session at the Town House in said town at nine o'clock in the forenoon on the day above mentioned for the purpose of correcting the list of voters.

Hereof fail not and have you there this warrant with  
your doings written thereon.

Given under our hands at Corinth this 1st day of March,  
A. D. 1944.

LEON F. TIPLADY

ABNER M. FRAZIER

CLARENCE W. DICKEY

*Selectmen of Corinth.*

---

# REPORT OF SUPERINTENDENT OF SCHOOLS

---

To the Superintending School Committee and Citizens of the  
Town of Corinth:

The annual report of the Superintendent of Schools for the  
municipal year, 1944-45, is submitted for your consideration.

## EAST CORINTH ACADEMY

You are respectfully referred to the report of Principal Albert  
L. Skidds.

## ELEMENTARY SCHOOLS

Following is a list of teachers employed and number of weeks  
in each school for which salaries have been paid within the mu-  
nicipal year:

### WINTER TERM, 1943-44

Teacher	School	No. Weeks
Mrs. Neota C. Mitchell	Grammar	7
Mrs. Gerda R. Perkins	Intermediate	7
Mrs. Marjorie F. Page	Primary	7
Mrs. Alice F. Whitney	Bean's Mills	8
Mrs. Ada D. McCard	West Corinth	8
Mrs. Merle B. Wiseman	Robieville	7

### SPRING TERM

Mrs. Neota C. Mitchell	Grammar	10
Mrs. Gerda R. Perkins	Intermediate	10
Mrs. Marjorie F. Page	Primary	10
Mrs. Alice F. Whitney	Bean's Mills	9
Mrs. Ada D. McCard	West Corinth	9
Mrs. Merle B. Wiseman	Robieville	9

## FALL TERM

Teacher	School	No. Weeks
Mrs. Neota C. Mitchell	Grammar	15
Mrs. Gerda R. Perkins	Intermediate	15
Mrs. Marjorie F. Page	Primary	15
Mrs. Alice F. Whitney	Bean's Mills	15
Mrs. Ada D. McCard	West Corinth	15

## WINTER TERM, 1944-45

Mrs. Neota C. Mitchell	Grammar	4
Mrs. Gerda R. Perkins	Intermediate	4
Mrs. Marjorie F. Page	Primary	4
Mrs. Alice F. Whitney	Bean's Mills	4
Mrs. Ada D. McCard	West Corinth	4

## REGISTRATION IN GRADES

The following table gives the number of pupils registered in the grades of the several schools for the school year, 1944-45.

Grades	Sub-Primary	1	2	3	4	5	6	7	8	Total
Grammar	0	0	0	0	0	0	10	10	11	31
Intermediate	0	0	0	8	6	15	0	0	0	29
Primary	24	11	11	0	0	0	0	0	0	46
Bean's Mills	2	4	4	1	2	3	1	1	5	23
West Corinth	6	7	4	5	4	6	4	8	0	44
Total	32	22	19	14	12	24	15	19	16	173

## INSTRUCTION

The same teachers as employed in the previous school year are in their respective positions for the year, 1944-45, with the single exception of the Robieville school, which school was suspended at the close of the school year, 1943-44.

The suspension of the Robieville school was in accord with the request of the State Department of Education that the smaller rural schools be closed to make available the services of the teachers in those schools, in larger schools.

The same serious situation regarding available teachers exists this year as it did in the previous year. This is not at all local to any State, but appears to be universal. No doubt it will be a continuing problem for several years. As was stated last year, this town is fortunate in having local teachers available.

### MUSIC

You are respectfully referred to the report of Miss Florence H. Homer, Music Supervisor.

### HEALTH

You are respectfully referred to the report of the Public Health Nurse in another part of this report.

### REPAIRS

The principal items of repairs have been the shingling of the Bean's Mills building, where asphalt shingles were used, and the painting and redecorating of the intermediate and primary rooms in the village school building. The blackboards in the West Corinth building have also been painted. Other repairs have been of a minor nature.

The foundation under the floor of the primary room is still in need of replacement. The blackboards in the other schoolrooms are badly in need of refinishing. The Robieville building should be placed in condition for permanent closing, as it will probably be some time before it is again in use. The reason for delay in caring for the Robieville building this year is because of inability to get the necessary lumber.

### FLAGS

The town made provision last year through an appropriation for equipping the school buildings with the necessary flagpoles and flags. As it has been impossible to get the necessary construction made, no part of the appropriation has been expended. No further appropriation is recommended at this time.

## EQUALIZATION FUND

The town has received an apportionment of \$2,095.00 in the equalization fund for the current year. This fund has been used for general maintenance.

The statement of the State Department of Education apports the sum of \$3,586.00 to be received in December, 1945.

## RECOMMENDATIONS

You are referred to the report of the Selectmen for the list of recommendations for this department.

## FINANCIAL STATEMENT

You are respectfully referred to the report of the Selectmen for the financial statement of the department.

## SUMMARY

Number persons in town, census, April 1, 1943,	
5 to 21 years of age	297
Number persons in town, census, April 1, 1944,	
5 to 21 years of age	292
Number resident students, E. C. A., 1943-44	49
Number resident students, E. C. A., 1944-45	44

Average tax rate in state for school purposes	.01620
School tax rate in town	.02198

## CLOSING

The schedule of the school program is one year nearer the difficulty of a satisfactory solution than it was one year ago. It then seemed as if we were rapidly approaching a condition that would call for emergency measures, and now such measures are with us for consideration.

The teacher situation is much more acute than last year. Several schools are closed because of lack of teachers. The State Department of Education is desirous of closing many of the smaller schools to make available the services of the teachers in the larger schools, but in many cases the transportation of pupils cannot be arranged. Salaries have increased far beyond expectation, and it has been necessary to meet this increase to keep the schools open. No reduction in salaries, or improvement in the teacher situation, can be expected for several years.

The anticipated difficulty in procuring textbooks and supplies has been met. There has been constant delay in shipments.

It can be expected there will be several changes in the program beginning with the school year, 1945-46. Several new Acts are before the present legislature for consideration. No doubt there will be new legislation enacted by adopting one or more of these Acts, or effecting some compromise legislation by working out the better suggestions of those already introduced. The State Department is interested in placing the minimum salary schedule at \$1,000.00 for teachers. If enacted this will mean continuation of increased appropriations unless the State assumes a greater proportion of the expense.

The State Department is working on a new curriculum for the schools. This will be a thorough revision of the present outline which has been in use for several years. No doubt this will

have special emphasis on the health program, as well as a well-rounded course in all subjects having to do with an enlarged school program.

During the past year new textbooks in English have been gradually introduced; the health book series has been completed; new textbooks in arithmetic are being placed in the grades; new plans in the spelling course are being used to meet present requirements; new literature texts have recently been placed in the sixth grade reading course, and the new science reading course has been practically completed. These changes have been gradual and introduced wholly to keep the work of the schools on a modern standard. Recently a new geography text based on the American continent has been published, which carries the "Unit" plan of teaching. It is worthy of consideration as a new text.

It is difficult to look into the future of the school program with optimism. There are many difficult problems before us now, and more appear to be standing in the immediate future. It is going to require considerable courage and community spirit to meet the situations constantly arising.

For the future welfare of the young people, there can be no evasion of their educational needs.

Respectfully submitted,

H. D. RIDLON,

Superintendent of Schools.

## REPORT OF MUSIC SUPERVISOR

---

To the Superintending Committee and Citizens of Corinth:

I herewith submit my report as Music Supervisor of the Schools of Corinth for the year 1944-1945.

The work in the schools of Corinth has continued along the same lines as in the past and with the same group of teachers this has been made much easier than in the case of so many towns where there have been many changes each year and even during the year. The closing of one school gave me time to take over some work in the Academy this year and I feel that this is as it should be, as the pupils should carry on through high school the work begun in the grades. Having had most of the boys and girls in grade school this work has not been hard to begin, but of course the first year not as much as can be accomplished as will be done, but the cooperation on the whole has been very fine. A few find it hard to do the kind of work that is expected but a great improvement has been shown in the last two months and it is hoped that the public can see the results of our efforts before the year is over.

Due to sickness last spring I was not able to attend the Grammar graduation but I feel sure that the teachers and pupils did all in their power to make a good showing.

Mrs. Page, as always, is doing excellent work with the Primary room. The Rhythm Band is helping the large group just entering school to work with the others, and it is surprising to see how a large number are interested in the more advanced work that the other grades are doing.

In the Intermediate grades, under Mrs. Perkins, the pupils are doing fine work and this has not been as easy where a number came from a rural school where not as much time can be used for music, but their interest is more than encouraging and great improvement is shown in many ways. Songs in correlation with their other school work is being done, as well as some hard work in the theory work necessary in these grades.

A larger group in the Grammar grades makes for more interesting work in part singing, especially among the boys, of which there are a large number. Some of course during three years are handicapped by their voices being in the changing stage, but with some to carry on they try to do their part and thus add to the whole.

The two rural schools are carrying on as usual; some in the Bean's Mills school are starting work on instruments, and I feel sure that this interest will increase and then others may take up some of these instruments that can be used with beginners and then carried over to regular instruments later on. The school at W. Corinth has such a shifting enrollment that it is hard to accomplish as much as we hope, but the pupils try very hard and those that are regulars do all in their power to help the newcomers who in most cases come from schools where music has not been taught. This is especially hard for those in the upper grades, as it holds back those that have had music and it is hard for those who have not had it.

We hear much about the changes that are to take place in the world after peace is declared, but I feel that music will still be considered one of the lasting and helpful studies to unite the world, for if the following is true then we will never be without its help.

### "I AM MUSIC"

Servant and master am I; servant of those dead, and master of those living. Through me spirits immortal speak the message that makes the world weep, and laugh, and wonder, and worship. I tell the story of love, the story of hate, the story that saves, and the story that damns. I am the incense upon which prayers float to Heaven. I am the smoke which palls over the field of battle, where men lie dying with me on their lips.

I am close to the marriage altar, and when the graves open I stand nearby. I call the wanderer home; I rescue the soul from the depths; I open the lips of lovers, and through me the dead whisper to the living.

One I serve as I serve all; and the king I make my slave as easily as I subject his slave. I speak through the birds of the air, the insects of the field, the crash of waters on rock-ribbed shores, the sighing of the wind in the trees, and I am even heard by the soul that knows me in the clatter of wheels on city streets.

I know no brother, yet all men are my brothers; I am father of the best that is in them, and they are fathers of the best that is in me: I am of them and they are of me. FOR I AM THE INSTRUMENT OF GOD.

I AM MUSIC.

I wish to thank Mr. Ridlon and the teachers for their kindness and cooperation at all times and the work of the teachers is greatly appreciated, for it is by their efforts that good work is done under rather unusual conditions.

Respectfully submitted,

FLORENCE HOMER,  
Music Supervisor.

## REPORT OF THE HIGH SCHOOL PRINCIPAL

---

The following is a report of the Principal of East Corinth Academy for the school year 1944-45.

East Corinth Academy opened this year with only one teacher left from last year and three new teachers.

The present staff of teachers is as follows:

Albert L. Skidds, Colby, Principal and teacher of Mathematics and the Sciences; Lester A. Felt, who was here last year, University of Maine, Agriculture; Miss Elizabeth W. Rowe, University of Maine, English and World History; Mrs. Bernice I. Webster, University of Maine, Latin, French and the Social Sciences.

The Academy opened September 11, with an enrollment of 58 boys and girls. This number is two less than for last year. The enrollment is rather low for this school because of the present war conditions. Some pupils who did not return or have left have been inducted into the Armed Services. Others have moved to other localities and still others have found work in the community or elsewhere. This is a temporary condition and will adjust itself once we are back in normal times.

The enrollment of the school by classes is as follows:

	Total Registered	Boys	Girls	Left School	Total Now
Seniors	9	3	6	1	8
Juniors	14	7	7	1	13
Sophomores	17	9	8	2	15
Freshmen	18	6	12	1	17
	<hr/> 58				<hr/> 53

East Corinth Academy offers three courses, namely, Agricultural, Classical, and English. These are all courses approved by the State Department of Education for a Class A Academy.

Each pupil is allowed to choose the course he wants to pursue. Some subjects in each course are **required**, others **elective**. Every student must take at least four subjects a year, which gives four credits toward graduation. A total of 16 credits are necessary for graduation.

The Academy carried on its usual basketball program, with both boys and girls participating. A basketball league was formed with five nearby towns. Both boys and girls enjoy basketball immensely. It is a good form of physical training, besides teaching the young people sportsmanship. Basketball also teaches boys and girls to get along with other people.

The local boys won eight out of ten games in the league.

There has been a very important addition to the course of study this year, namely, music. Miss Florence Homer has been engaged to teach music once a week. The whole school spends one period a week on music, especially singing, and then Miss Homer spends an additional period with the Glee Club. I think this is a good investment because I think young people need to learn how to appreciate good music.

Mr. Lester A. Felt, Instructor of Vocational Agriculture, presents his annual report of progress from the Agricultural Department.

There were an average of about 20 boys enrolled in Vocational Agriculture for the year. All but four boys in school enrolled in the Agricultural Course. Supervised Farm Practice Projects averaged better than one per boy, resulting in the production of over \$3,000.00 of food for victory. This figure itemized means poultry and eggs valued at \$835.00, wool and mutton valued at \$948.00, pork and beef valued at \$360.00, field crops valued at \$624.00, and milk and dairy products valued at \$543.00.

The Junior and Senior Classes in Agriculture received instruction in Farm Management, Farm Marketing, Farm Machinery, and Farm Engineering. The course of study for the Freshman and Sophomore groups consisted of Soils and Fertilizers, Field Crops (Corn, Peas, Beans) and potatoes.

Farm Shop work consisted mainly of Woodworking, Painting, Finishing, Rope Work, Lathe Work, Concrete Work, Forge

Work, and Farm Machinery Repair. Farm Shop classes completed the making of about 40 dairy feed boxes, 14 poultry crates, 5 tool boxes, 10 wood mallets, 3 shop benches, 4 step-ladders, 5 sheep feeders, 14 poultry and chick feeders, 2 grit feeders, 4 mineral boxes, 6 concrete hog troughs, and a small 4x6 greenhouse.

Community services which were available to local farmers through our department were as follows:

1. Treating sheep with Phenothiazine for internal parasites.
2. Culling laying flocks.
3. Testing milk for butterfat.
4. Testing soil for acidity and alkalinity.
5. Supplying bulletins and information on farm problems.
6. Castrating pigs and lambs.
7. Supplying materials for the treatment of ring worm and barn itch on dairy animals.
8. Splicing rope.

25,000 chicks were sold during the past year. The Chapter sold its Mammouth Buckeye 10,000 egg capacity incubator and hatching unit last fall and purchased a smaller combination machine, a later model with a 1,400 egg capacity. 6,000 chicks is the chapter's sales goal this year.

The outstanding project of our F. F. A. Program during the past year has been the management of a flock of 14 registered Hampshire Sheep. The boys have taken considerable interest in this undertaking and the ewes have responded very well to our methods of feeding and management. This project started when the State Development Commission, through the recommendation of Samuel Dorrance, State Livestock Specialist; Carl Smith, Commissioner of Agriculture; Danald Corbett, and other Agricultural leaders, purchased 13 registered Hampshire ewes and one registered ram lamb from the Cesor Farms in Michigan. These animals represent the finest blood lines in sheep to be found in the New England States. These sheep were purchased at \$60.00 per head and given to our department as an incentive to farmers in the area to produce more and better

sheep. We realize the responsibility this project involves and sincerely hope for results that will make the state department officials at Augusta feel well paid for donating these fine animals to our department. We are confident of a good lamb crop and should be able to supply sheep enthusiasts in the community with a few breeding animals next fall and at FARMER PRICES.

The war has stressed the importance of the farmer and his produce to the world. The past two years have been a real test of the farmers' ability to produce under adverse conditions. This department is conscious of and greatly appreciative of the great contributions the farmers in this community have made to the war effort. We hope that we shall continue to be worthy of your interest and support.

I wish to express my appreciation of the cooperation given me by the Board of Trustees, parents and citizens of East Corinth.

Respectfully submitted,

ALBERT L. SKIDDS,

Principal.

## REPORT OF ATKINS MEMORIAL LIBRARY

---

At the annual meeting of the Atkins Memorial Library Association, held January 13, 1945, J. R. Duran was re-elected president of the association. Paul Freese was elected to serve on the board of trustees for a term of three years.

The circulation of adult books has been the lowest this past year since pre-war years.

Book orders are slow in being filled. Many books are out of print for the duration. Print and paper are both according to government regulations. These things are all beyond our control. Even a library goes to war.

A fund is being established for the purpose of cataloguing. It is hoped this can be done this year.

Respectfully submitted,

GERDA R. PERKINS.

## REPORT OF THE PUBLIC HEALTH NURSE—1944

---

The effectiveness of a community health service depends to a large extent on the interest in and the understanding of the Public Health Program by all citizens of the community. It is essential that they appreciate the value of that service. From a personal standpoint they should be interested in the program because the health of every citizen in the community affects the health of other citizens and because the cost of service is directly or indirectly borne by the individual taxpayers of the community.

Visits were made to the expectant mother for the purpose of helping her secure necessary equipment for confinement, a suitable diet for growth and development of the baby and to help carry out doctor's orders. Medical attention has been urged early in pregnancy as care at this time is most beneficial. Follow-up visits were made after the baby was born to emphasize the importance to the mother of proper rest, diet and a return visit to the doctor.

Several visits were made to infants in your community to help the mother set up daily routine for feeding and care of the baby. Importance of a visit to the doctor has been stressed. Mothers were helped in introducing new foods into the baby's diet to promote growth. Special emphasis was given to the prevention of communicable diseases at an early age.

A summer round-up of children who were to enter school in the fall was held in May. It seems too bad more mothers did not take advantage of this. Preschool examination is so valuable in order to have defects corrected before the child enters school.

The control of communicable disease in Corinth has been a problem. When communicable disease is suspected a doctor's diagnosis is essential. However, it is the responsibility of the family to report every case to the local Health Officer. If

these were reported promptly the Health Officer could take precautions to avoid an epidemic

Due to the fact there were so many cases of whooping cough in town this summer it was inadvisable to have a Child Health Conference.

The hearing test with the audiometer was given in all the schools this fall. Home visits were made to parents of school children in order to explain the need of dental, vision and hearing corrections and to advise on control of communicable diseases. There are fewer health problems in the schools. To a great extent this has been brought about through the cooperation of the teachers and parents.

Whenever possible children have been referred to the Pediatric and Crippled Children's Clinics sponsored by the State Bureau of Health. There they have the advice of a specialist for diagnosis and recommendation.

Necessary visits on contacts to persons with tuberculosis have been made. A few children were tuberculin tested. Visits were made to patients that have returned from sanatoria for health supervision and to advise return for X-rays and re-examinations.

GEORGINA J. PATTERSON,

Bureau of Health Public Health Nurse.

County of Penobscot

State of Maine

To Frank T. Brooks, a Constable in the Town of Corinth, in  
the County of Penobscot, GREETINGS:

In the name of the State of Maine, you are hereby required to warn and notify the inhabitants of said town, qualified by law to vote in town affairs, to meet at the Town House in said town on Monday, the twelfth day of March, A. D. 1945, at nine-thirty o'clock in the forenoon to act on the following articles, to wit:

Article 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a town clerk for the ensuing year.

Art. 3. To see if the town will vote to accept the town report, subject to state audit.

Art. 4. To elect three or more selectmen for the ensuing year.

Art. 5. To elect three or more assessors for the ensuing year.

Art. 6. To elect three or more overseers of the poor for the ensuing year.

Art. 7. To elect a fire inspector for the ensuing year.

Art. 8. To elect a member of the superintending school committee to serve three years.

Art. 9. To elect a member of the cemetery trustees to serve three years.

Art. 10. To elect a road commissioner for the ensuing year.

Art. 11. To choose constables, sextons, fence viewers, measurers of wood and bark, surveyors of lumber and all other necessary town officers.

Art. 12. To see what sum of money the town will vote to raise and appropriate for elementary schools.

Art. 13. To see what sum of money the town will vote to raise and appropriate for elementary school books.

Art. 14. To see what sum of money the town will vote to raise and appropriate for elementary school supplies.

Art. 15. To see what sum of money the town will vote to raise and appropriate for repairs of elementary school buildings.

Art. 16. To see what sum of money the town will vote to raise and appropriate for insurance on elementary school buildings.

Art. 17. To see what sum of money the town will vote to raise and appropriate for superintendent of schools.

Art. 18. To see what sum of money the town will vote to raise and appropriate for free high school.

Art. 19. To see what sum of money the town will vote to raise and appropriate to pay interest.

Art. 20. To see if the town will vote to authorize the superintending school committee to make a contract with and pay the trustees of East Corinth Academy for the tuition of its pupils qualified to attend such school.

Art. 21. To see if the town will vote to have medical inspection in the schools and raise a sum of money for that purpose or act on anything relating thereto.

Art. 22. To see if the town will vote to have music taught in the schools or act on anything relating thereto.

Art. 23. To see if the town will vote to raise and appropriate \$50.00 for public health nursing in Corinth; said sum to be expended by the State Bureau of Health, for local service.

Art. 24. To see what sum of money the town will vote to raise and appropriate for charities.

Art. 25. To see what sum of money the town will vote to raise and appropriate for street lights.

Art. 26. To see what sum of money the town will vote to raise and appropriate for summer roads.

Art. 27. To see if the town will vote to plow snow on all town roads acceptable to the State Highway Commission, and raise a sum of money for that purpose, or take any action relating thereto.

Art. 28. To see if the town will vote to raise and appropriate a sum of money for the purpose of cutting bushes on approved highways, or act on anything relating thereto.

Art. 29. To see what sum of money the town will vote to raise and appropriate for winter roads.

Art. 30. To see what sum of money the town will vote to raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 19, Chapter

28, R. S. 1930, or under the provisions of Chapter 213, P. L. 1941.

Art. 31. To see what sum of money the town will vote to raise and appropriate for patrol roads.

Art. 32. To see if the town will vote to raise and appropriate the sum of \$669.00 for the maintenance of third class roads, the above amount being the sum necessary for the town to raise to entitle it to the apportionment of money for third class road construction under the provision of Sections 44 and 46, Revised Statutes of 1930, as amended by Sections 4 and 5 of Chapter 229, P. L. 1937.

Art. 33. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

Art. 34. To see what sum of money the town will vote to raise and appropriate for fire inspector and constable.

Art. 35. To see what sum of money the town will vote to raise and appropriate for town officers.

Art. 36. To see what sum of money the town will vote to raise and appropriate to procure from Atkins Memorial Library Association the free use of its books for the inhabitants of the Town of Corinth, as provided by Chapter 5, Section 28, R. S. Maine, or act on anything relating thereto.

Art. 37. To see what sum of money the town will vote to raise and appropriate for health and sanitation.

Art. 38. To see what sum of money the town will vote to raise and appropriate for mother's aid.

Art. 39. To see what sum of money the town will vote to raise and appropriate to purchase snow removal equipment or act on anything relating thereto.

~~7~~ Art. 40. To see what sum of money the town will vote to raise and appropriate to purchase honor roll for Veterans of World War number 2, or act on anything thereto.

~~X~~ Art. 41. To see if the town will vote to reopen the school at Robieville.

~~5~~ ~~Art. 42.~~ To see if the town will vote to authorize the selectmen, on behalf of the town, to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon, including real estate conveyed to the town, on such terms as they deem advisable, and to execute quit claim deeds for such property, and ratify and confirm any such deeds theretofore given by the selectmen, in behalf of the inhabitants of the town, purporting to convey the interest of the town.

~~X~~ Art. 43. To see if the town will vote to sell the Annie Kimball place, so-called, or act on anything relating thereto.

~~1~~ Art. 44. To see what method the town will adopt for the collection of taxes in 1945.

~~5~~ Art. 45. To elect a town treasurer for the ensuing year.

~~2~~ Art. 46. To elect a collector of taxes for the ensuing year.

~~4~~ Art. 47. To see if the town will vote a date when taxes are due and payable and a date from which interest may be charged., R. S. Chapter 14, Sections 1 and 2.

Art. 48. To see if the town, for the purpose of obtaining a temporary loan or loans to and for the use of the town in conducting its municipal business in the current municipal year of 1945 and in anticipation of and to be paid out of taxes of the municipal year of 1945, will authorize and direct the town treasurer, subject to the approval of the selectmen, to borrow from time to time during said municipal year, a sum or sums not exceeding in the aggregate the sum of \$5,000.00 and to make,

execute and deliver the negotiable note or notes therefor, payable within the current municipal year and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money to be raised by taxation at the annual town meeting held March 12th, 1945.

You will give notice that the Selectmen will be in session at the Town House in said town at nine o'clock in the forenoon on the day above mentioned for the purpose of correcting the list of voters. *March 11th*

Hereof fail not and have you there this warrant with your doings written thereon.

Given under our hands at Corinth this 1st day of March, A. D. 1945. *29* *Bel*

LEON F. TIPLADY,

JASPER F. ELLIOTT,

Selectmen of Corinth.

#### NOTICE

Orient Grange will serve a dinner on Town Meeting day.

*The Ladies of Esau and Rebekah  
Lodge will serve a dinner  
on Town meeting day*

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the Superintending School Committee and Citizens of  
the Town of Corinth:*

The annual report of the superintendent of schools for the municipal year 1945-46, is hereby submitted for your consideration.

### EAST CORINTH ACADEMY

You are respectfully referred to the report of Principal Albert L. Skidds.

### ELEMENTARY SCHOOLS

The following is a list of the teachers employed and number of weeks in each school for which salaries have have been paid within the municipal year:

<i>Teacher</i>	<i>School</i>	<i>No. Weeks</i>
WINTER TERM, 1944-45		
Mrs. Neota C. Mitchell	Grammar	8
Mrs. Gerda R. Perkins	Intermediate	8
Mrs. Marjorie F. Page	Primary	8
Mrs. Alice F. Whitney	Bean's Mills	8
Mrs. Ada D. McCard	West Corinth	6
SPRING TERM		
Mrs. Neota C. Mitchell	Grammar	9
Mrs. Gerda R. Perkins	Intermediate	9
Mrs. Marjorie F. Page	Primary	9
Mrs. Alice F. Whitney	Bean's Mills	9
Mrs. Ada D. McCard	West Corinth	11

## FALL TERM

Mrs. Neota C. Mitchell	Grammar	14
Mrs. Gerda R. Perkins	Intermediate	14
Mrs. Marjorie F. Page	Primary	14
Mrs. Alice F. Whitney	Bean's Mills	14
Mrs. Ada D. McCard	West Corinth	12

## WINTER TERM, 1945-46

Mrs. Neota C. Mitchell	Grammar	4
Mrs. Gerda R. Perkins	Intermediate	4
Mrs. Marjorie F. Page	Primary	4
Mrs. Alice F. Whitney	Bean's Mills	4
Mrs. Ada D. McCard	West Corinth Grammar	4
Mrs. Nellie S. McLaughlin	West Corinth Primary	4

## REGISTRATION IN GRADES

Grades	Sub-Primary	1	2	3	4	5	6	7	8	Total
Grammar	0	0	0	0	0	0	16	11	8	35
Intermediate	0	0	0	10	7	3	0	0	0	20
Primary	20	17	9	0	0	0	0	0	0	46
Bean's Mills	7	1	6	5	1	5	4	1	3	33
West Corinth Grammar	0	0	0	0	6	3	3	2	6	20
West Corinth Primary	6	7	5	6	0	0	0	0	0	24
Total	33	25	20	21	14	11	23	14	17	178

## INSTRUCTION

The same teachers as last year have filled their respective positions. During the past two years the conditions in the West Corinth school have been somewhat of a problem. There has been a frequent change of pupils in the enrollment but an overcrowded condition of the school room has been almost constant. This condition, during the fall term of the present school year, reached a point where the pupils could not be accommodated in the room and it has become necessary to make arrangements to care for them. Mrs. McLaughlin has taken the lower grades into her home, making a room available as a school room, thus making a division with Mrs. McCard continuing with the upper

grades. This condition may not continue for any length of time, but if it does, some arrangement will have to be made to accommodate the situation.

## MUSIC

Miss Homer resigned as supervisor of music at the end of the spring term to accept another position.

An arrangement was worked out this year for the employment of a supervisor in five of the towns in this school district. This seemed a logical and desirable program. Miss Sylvia C. Smith, a graduate in music, was employed. Miss Smith resigned at the close of the fall term. Effort has been made, and is continuing, to secure another to take the position, but so far without success. It is hoped the course may be reestablished as soon as possible.

## HEALTH

You are respectfully referred to the report of the Public Health Nurse.

## SCHOOL ENROLLMENT

Beginning with April 1, 1946, a new method will be used in making a report to the State Department of Education.

Formerly a report has been made of the number, and list of names, of all persons between five and twenty-one years of age, making up a census list on which basis a part of the State School Fund has been apportioned.

This year a report will be filed of the enrollment in the schools, as of that date, on which this apportionment will be based, and the census enumeration will be discontinued. This enactment by the legislature makes the enrollment in the schools an urgent need that should have your consideration.

## REPAIRS

The largest single item of repair work has been the painting of the interior of the Bean's Mills school building. A flag pole has been installed on the West Corinth school building. Other repairs have been of a minor nature.

Your attention is again called to the matter of boarding the windows of the Robieville school building. It has not been done because the lumber has not been available. As soon as it can be procured the building should be cared for.

Provision should be made for a reasonable appropriation as there may be necessary repairs at almost any time, which cannot be anticipated.

## EQUALIZATION FUND

The town has received the sum of \$3,586.00 in this fund for the present year. This is used as a part of the general fund for maintenance.

A statement issued by the State Department of Education apportions the sum of \$4,305.00 for the next year.

## RECOMMENDATIONS

You are referred to the report of the Seectmen for the list of recommendations for this department for the next year. The period of time covered in these recommendations is from February 1, 1946 to February 1, 1947.

## FINANCIAL STATEMENT

You are respectfully referred to the report of the Selectmen for the financial statement of this department.

## SUMMARY

Number of persons in town, census, April 1, 1944, 5 to 21 years of age,	292
Number of persons in town, census, April 1, 1945, 5 to 21 years of age	307
Number of pupils regestered elementary schools, 1944-1945,	182
Number of pupils registered elementary schools, 1945-1946	178
Number pupils conveyed, 1944-1945,	103
Number pupils conveyed, 1945-1946,	119
Average cost of teachers, salaries, per week	\$ 30.55
Average cost teaching per pupil per week	.90
Average cost teaching per pupil, per year	31.24
Average cost in all schools per keek, 177	
Average cost in all schools per week, 177 weeks,	68.39
Average cost in all schools per week for year, 5.11 schools,	349.47
Average cost per pupil for conveyance, per week,	1.31
Average cost per pupil for conveyance, per year,	45.47
Average cost per pupil for textbooks and supplies,	3.23
Average cost per pupil, all expense	67.69
Average tax rate in state for school purposes,	.01800
School tax rate in town,	.02326

## CLOSING

The general school situation remains much the same as last year. Altho the legislature made a considerable increase in the school funds apportioned, the increase has served only to help care for the additional expense involved

in maintenance. At this time no material reduction can be foreseen in the expense of carrying on the work of the schools.

The teacher situation has shown no improvement during the past year. No material increase has been made in the enrollment in the teacher training schools and colleges, and it is from these that future teachers will have to come. The temporary arrangement for teacher employment under the "permit" and "sanction" program cannot be expected to be continued. The future of the rural school is in a most uncertain phase.

New conditions are facing the educational system. The traditional school with its scheduled program of subject teaching, as it has been known, is on its way to be pushed aside for the modern trend. The teaching of the the children is to be the main purpose. It is not so much the matter of subject teaching that is important, as is the teaching of the pupil in an all round program. As the pupil is, not so much as he ought to be, in his comprehension of the school work as he goes along, is the purpose to be sought. All children have characteristics that are similar, but at the same time are different. Children have different characteristics at different ages. Their attitudes, needs, and interests are different. The study of the child in all the phases of his growth will be the subject about which inquiry is desirable. The need of understanding the child is the measure for the instruction to be carried on in the school.

It follows, there, that the traditional teaching from a single textbook in a subject must be considered a matter of the past, in the near future. The pupil must have material to promote his progress in his work. A single textbook gives the methods of a single author. Other texts serve to provide other viewpoints to which the pupils are entitled. Two or three textbooks on the same subject serve to provide material for comparison and discussion. These

are the working tools of the program. They are the opportunities the pupil should have provided so that they become a part of his understanding in the reasoning process. It is true, this makes a change in the school work, but change is on the way.

Pre-school education is coming to be an important factor in child training. It is a part of the regular preparation for school work, just as the elementary school is a part of the training process for a still larger field. Summed up it is training for community living.

Educaton of the child is the purpose sought. An education of the whole child in its fullest sense will help to provide a good citizen for the tomorrow. ,

Respectfully submitted,

H. D. RIDLON,

*Superintendent of Schools.*

## REPORT OF THE HIGH SCHOOL PRINCIPAL

---

The following is a report of the Principal of East Corinth Academy for the school year 1945-46.

East Corinth Academy opened this year with three of last year's teachers back.

The present staff of teachers is as follows:

Albert L. Skidds, Colby, Principal and teacher of Mathematics and the Physical Sciences; Lester A. Felt, University of Maine, Agriculture; Mrs. Bernice Webster, University of Maine, Latin, French, English III and IV, and American History; and Miss Peryl Higgins, Washington State Normal School, English I and II, Junior Business Training, World History, and Homemaking.

The Academy opened September 10th with an enrollment of 61 students! 25 boys and 36 girls. This represents an increase of three students over last year. Only one student has dropped out this year thus far as compared with five last year so the net enrollment to date is seven more than last year at this time. There should be a steady increase in the enrollment until it is back to normal. Boys and girls will find a need for training in order to secure employment as competition for employment becomes keener..

The enrollment of the school by classes is as follows:

	Total Registered	Boys	Girls	Left School	Total Now
Seniors	15	7	8	0	15
Juniors	12	5	7	0	12
Sophomores	14	3	11	0	14
Freshmen	20	10	10	1	19
	61				60

East Corinth Academy offers three courses, namely, Agricultural, Classical, and English. These are all courses approved by the State Department of Education for a Class A Academy.

Each student is allowed to choose the course he wants to pursue. Some subjects in each course are required, others elective. Every student must take at least four subjects a year, which give four credits toward graduation. A total of 16 points or credits are necessary for graduation.

The Academy sponsors two major sports for the students. The boys and girls play basketball and the boys play baseball while the girls play softball. The East Corinth Academy boys have won the Penobscot Central Valley Basketball Cup again this year, making three years in a row and four wins out of the four times the cup has been offered. The girls won six games, tied one and lost five so far this year.

Miss Sylvia Smith taught music one period a week during the fall term. However, she has resigned and no one has been found to take her place.

We have introduced an elementary course in Homemaking in the curriculum. We would like to build up a four year course in Home Economics for the girls to parallel the Agricultural Course for the boys. The enrollment for the Homemaking Course is thirty-five, a few of whom are boys. Next year we will introduce course two.

Mr. Lester A. Felt, Instructor of Vocational Agriculture, presents his annual report of progress from the Agricultural Department.

## REPORT OF TEACHER OF VOCATIONAL AGRICULTURE

Twenty-three boys enrolled as students in Vocational Agriculture. This was an increase of three boys over the 1944-1945 enrollment.

The course of study for Junior and Senior boys consists of Advanced Dairying, Poultry Production, Orchardring, Small Fruits, Farm-Mechanics and Supervised Farm Practice. The Freshman and Sophomore groups receive training in Poultry, Livestock, Farm Mechanics and Supervised Farm Practice.

The Future Farmers of America organization elected the following officers for the year:

President	Robert Casson
Vice-President	Ralph McKusick
Secretary	Richard Wiggin
Treasurer	Kenneth Chapman
Reporter	Ronald Smith
Chaplain	Theodore Smith

This organization of farm boys outlines its activities in the form of a program of work at the beginning of each year. During the war, F. F. A. activities were greatly suppressed due to various restrictions. We regretted not being able to send our F. F. A. President to the National Convention at Kansas City this year because of travel restrictions. However, there is opportunity for real achievement from this group this year and for years to come.

Our flock of registered Hampshire sheep has increased in size from 12 to 42 head. The lamb crop increased from 130% in 1945 to nearly 170% this year. The boys have shown a remarkable interest in this project.

The Chapter purchased a new 2500 egg capacity Humid-aire Incubator with automatic turning device. The uncertain outlook for the poultry business indicates that our cooperative chick hatchery output will be small this year.

We wish to report that the 1400 evergreen seedlings and transplants which the chapter set out in the Spring of 1940 are growing very well. Norway Pine, White Pine, and Spruce were planted in alternate rows as a protective

measure against weevil injury and White Pine Blister Rust. Nearly 200 seedlings died the first Summer due to drouth and there is a very little evidence of Weevil injury. However a good stand remains.

The future looks none too certain for any branch of industry, but as long as the farmer feeds the world, we feel that the Future Farmers of America Organization fills an unique place in the lives of American farm boys and that Vocational Agriculture occupies a very significant place in the rural school curriculum of this country.

I wish to express my appreciation for the cooperation given me by the Board of Trustees, parents and citizens of East Corinth.

Respectfully submitted,

ALBERT L. SKIDDS,

*Principal.*

## ATKINS MEMORIAL LIBRARY REPORT

---

We regret to report that the cataloguing of the library books was not carried out as planned, due to difficulty in acquiring supplies and expense of material. We are hoping that it can be accomplished this year. A more accurate record can then be kept of the books. We have approximately 4500 volumes.

The adult circulation is still low. The children are our best patrons. This is encouraging as a good reading habit is carried over into their adult years, giving them recreational and cultural benefits.

At the annual meeting of the Atkins Memorial Library Association Z. R. Duran was re-elected president; Mabel L. Skolfield, clerk; Flora E. Duran, treasurer; Ross Elliot to serve on the board of trustees for the term of three years, term expires 1948; Paul Freese, term expires 1948; Elvira Everett, term expires 1947; V. A. Craig, permanent member; Jasper Elliot, ex-officio, Ch. Board of Selectmen.

Give the library your support by becoming a regular patron.

Respectfully submitted,

GERDA R. PERKINS,

*Librarian.*

## ANNUAL REPORT FOR CORINTH

---

January 1 to December 31, 1945

### BUREAU OF HEALTH NURSING SERVICE

Now that Victory is won in War let us concentrate on Victory over Disease. As long as we feel well we think very little of our body and how we benefit by healthy normal living. How true the saying is "Health is Wealth."

This year, as in years past, health supervision visits have been made to prenatal and post-partum mothers, infants, preschool children, school children and crippled children.

Conferences were held with the teachers regarding health problems arising in your schools. Home visits were made to parents of school children in order to explain need of dental, vision and hearing corrections and to guard against communicable diseases.

Follow-up visits have been made on tuberculosis patients who have been discharged from the Sanatorium in order to help them with their problems and to advise return for X-rays and physical check-up.

Whenever necessary children have been referred to the Pediatric and Crippled Children's Clinics sponsored by the State Bureau of Health.

In March those children needing vaccinations for small-pox went to Dr. Skolfield's office.

It is only when a disease strikes our town or community that we begin to worry about immunization and control of that disease. It is often too late then. Statistics show that for several diseases the body requires at least six months to establish the proper immunity after the immunizing dosage is completed. Each child should have the advantage of immunization for smallpox, diphtheria, whooping cough and typhoid at an early age.

When there is a communicable disease in your home report it to your Health Officer. Then the disease will be under control much more quickly. Keep your child at home when he has a head cold. School is for well children. Most of the communicable diseases start with symptoms of a head cold.

As in years past a plea is made for a Health Committee or Council. In order to have a more extensive health program this next year it will be necessary to form such a committee. Remember this is your health program and with the help of a Health Committee it will be possible for your nurse to do much more effective health work.

Respectfully submitted,  
Georgina J. Patterson  
Bureau of Health  
Public Health Nurse.

## RECOMMENDATIONS

## TOWN WARRANT

---

County of Penobscot

State of Maine

*To Frank T. Brooks, a Constable in the Town of Corinth,  
in the County of Penobscot,* GREETINGS:

In the name of the State of Maine, you are hereby required to warn and notify the inhabitants of said town, qualified by law to vote in town affairs, to meet at the Town House in said town on Monday, the eleventh day of March, A. D. 1946, at nine-thirty o'clock in the forenoon to act on the following articles, to wit:

Art. 1. To choose a moderator to preside at said meeting.

Art. 2. To choose a town clerk for the ensuing year.

Art. 3. To see if the town will vote to accept the town report, subject to state audit.

Art. 4. To elect three or more selectmen for the ensuing year.

Art. 5. To elect three or more assessors for the ensuing year.

Art. 6. To elect three or more overseers of the poor for the ensuing year.

Art. 7. To elect a fire inspector for the ensuing year.

Art. 8. To elect a member of the superintending school committee to serve three years.

Art. 9. To elect a member of the cemetery trustees to serve three years.

Art. 10. To elect a road commissioner for the ensuing year.

Art. 11. To chose constables, sextons, fence viewers, measurers of wood and bark, surveyors of lumber and all other necessary town officers.

Art. 12. To see what sum of money the town will vote to raise and appropriate for elementary schools.

Art. 13. To see what sum of money the town will vote to raise and appropriate for elementary school books.

Art. 14. To see what sum of money the town will vote to raise and appropriate for elementary school supplies.

Art. 15. To see what sum of money the town will vote to raise and appropriate for repairs of elementary school buildings.

Art. 16. To see what sum of money the town will vote to raise and appropriate for insurance on elementary school buildings.

Art. 17. To see what sum of money the town will vote to raise and appropriate for superintendent of schools.

Art. 18. To see what sum of money the town will vote to raise and appropriate for free high school.

Art. 19. To see what sum of money the town will vote to raise and appropriate to pay interest.

Art. 20. To see if the town will vote to authorize the superintending school committee to make a contract with and pay the trustees of East Corinth Academy for the tuition of its pupils qualified to attend such school.

Art. 21. To see if the town will vote to have medical inspection in the schools, and raise a sum of money for that purpose or act on anything relating thereto.

Art. 22. To see if the town will vote to have music taught in the schools or act on anything relating thereto.

Art. 23. To see if the town will vote to raise and appropriate \$50.00 for public health nursing in Corinth, said sum to be expended by the State Bureau of Health, for local service.

Art. 24. To see what sum of money the town will vote to raise and appropriate for charities.

Art. 25. To see what sum of money the town will vote to raise and appropriate for street lights.

Art. 26. To see what sum of money the town will vote to raise and appropriate for summer roads.

Art. 27. To see if the town will vote to plow snow on all town roads acceptable to the State Highway Commission, and raise a sum of money for that purpose, or take any action relating thereto.

Art. 28. To see if the town will vote to raise and appropriate a sum of money for the purpose of cutting bushes on approved highways, or act on anything relating thereto.

Art. 29. To see what sum of money the town will vote to raise and appropriate for winter roads.

Art. 30. To see what sum of money the town will vote to raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Sections 25 and 29, Chapter 20, R. S. 1944 as amended.

Art. 31. To see what sum of money the town will vote to raise and appropriate for patrol roads.

Art. 32. To see if the town will vote to raise and appropriate the sum of \$669.00 for the maintenance of third class roads, the above amount being the sum necessary for the town to raise to entitle it to the apportionment of money for third class road construction under the provision of Sections 44 and 46, Revised Statutes of 1930, as amended by Sections 4 and 5 of Chapter 229, P. L. 1937.

Art. 33. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

Art. 34. To see what sum of money the town will vote to raise and appropriate for fire inspector and constable.

Art. 35. To see what sum of money the town will vote to raise and appropriate for town officers.

Art. 36. To see what sum of money the town will vote to raise and appropriate to procure from Atkins Memorial Library Association the free use of its books for the inhabitants of the Town of Corinth, as provided by Chapter 5, Section 28, R. S. Maine, or act on anything relating thereto.

Art. 37. To see what sum of money the town will vote to raise and appropriate for health and sanitation.

Art. 38. To see what sum of money the town will vote to raise and appropriate for mothers' aid.

Art. 39. To see if the town will vote to grade, survey and blue print additional lots in Corinthian Cemetery, and raise a sum of money for that purpose, or act on anything relating thereto.

Art. 40. To see if the town will vote to put in permanent posts in town hall, to strengthen the girders, or act on anything relating thereto.

Art. 41. To see if the town will vote to discontinue the balance of State Aid road leading from the Kenduskeag line to third class road or act on anything relating thereto.

Art. 42. To see if the town will vote to change the remainder of unbuilt road designated as a third class road, the road leading from route No. 15 at Dwight Lambert's to State Aid Road, route No. 43, to a State Aid Road or act on anything relating thereto.

Art. 43. To see if the town will vote to increase the pay of the superintending school committee and raise a sum of money for that purpose, or act on anything relating thereto.

Art. 44. To see if the town will vote to repair the Robieville Bridge and raise a sum of money for that purpose or act on anything relating thereto.

Art. 45. To see if the town will vote to buy snow fence and raise a sum of money for that purpose or act on anything relating thereto.

Art. 46. To see if the town will vote to buy a highway sander and raise a sum of money for that purpose or act on anything relating thereto.

Art. 47. To see if the town will vote on a location for the Honor Roll, or act on anything relating thereto.

Art. 48. To see if the town will vote to have a Town Manager form of government, or act on anything relating thereto.

Art. 49. To see if the town will vote to authorize the selectmen, on behalf of the town, to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon, including real estate conveyed to the town, on such terms as they deem advisable, and to execute quit claim deeds for such property, and ratify and confirm any such deeds theretofore given by the selectmen, in behalf of the inhabitants of the town, purporting to convey the interest of the town.

Art. 50. To see if the town will vote to discontinue the Oakman Hill Road, so-called.

Art. 51. To see what method the town will adopt for the collection of taxes in 1946.

Art. 52. To elect a collector of taxes for the ensuing year.

Art. 53. To elect a town treasurer for the ensuing year

Art. 54. To see if the town will vote a date when taxes are due and payable and a date from which interest may be charged, R. S. Chapter 14, Sections 1 and 2.

Art. 55. To see if the town, for the purpose of procuring a temporary loan or loans to and for the use of said town in conducting its municipal business in the current municipal year of 1946, will authorize and direct the town

treasurer, subject to the approval of the selectmen, to borrow from time to time, during said municipal year, a sum or sums not exceeding in the aggregate, the sum of \$5,000.00 and to make, execute and deliver the negotiable note or notes of the town therefor, payable within said current municipal year and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

You will give notice that the Selectmen will be in session at the Town House in said town at nine o'clock in the forenoon on March 11th, for the purpose of correcting the list of voters.

Hereof fail not and have you there this warrant with your doings written thereon.

Given under our hands at Corinth this 28th day of February, A. D. 1946.

JASPER F. ELLIOTT  
ARTHUR W. CAMPBELL  
HARRY A. ROACH

*Selectmen of Corinth.*

#### NOTICE

The ladies of Diamond Rebekah Lodge will serve a dinner on Town Meeting Day.

Respectfully submitted,

ZOPHER R. DURAN, Town Clerk.

## REPORT OF SUPERINTENDENT OF SCHOOLS

---

*To the Superintending School Committee and Citizens of  
the Town of Corinth:*

The annual report of the Superintendent of Schools for the municipal year, 1946-47, is hereby submitted for your consideration.

### EAST CORINTH ACADEMY

You are respectfully referred to the report of Principal, Albert L. Skidds.

### ELEMENTARY SCHOOLS

Following is a list of the teachers employed and number of weeks in each school for which salaries have been paid within the municipal year:

#### WINTER TERM, 1945-46

<i>Teacher</i>	<i>School</i>	<i>No. Weeks</i>
Mrs. Neota C. Mitchell	Grammar	7
Mrs. Gerda R. Perkins	Intermediate	7
Mrs. Marjorie F. Page	Primary	7
Mrs. Alice F. Whitney	Bean's Mills	8
Mrs. Ada D. McCard	West Corinth	7

#### SPRING TERM

Mrs. Neota C. Mitchell	Grammar	11
Mrs. Gerda R. Perkins	Intermediate	11
Mrs. Marjorie F. Page	Primary	11
Mrs. Alice F. Whitney	Bean's Mills	10
Mrs. Ada D. McCard	West Corinth Grammar	13
Mrs. Nellie S. McLaughlin	West Corinth Primary	13

## FALL TERM

Mrs. Neota C. Mitchell	Grammar	14
Mrs. Alice F. Whitney	Intermediate	14
Mrs. Marjorie F. Page		
Mrs. Mary J. Gray	Primary	14
Mrs. Helen C. Wiggins		
Mrs. Addie M. Speed	Bean's Mills	14
Mrs. Ada D. McCard	West Corinth	14

## WINTER TERM, 1946-47

Mrs. Neota C. Mitchell	Grammar	5
Mrs. Alice F. Whitney	Intermediate	5
Mrs. Mary J. Gray	Primary	5
Mrs. Addie M. Speed	Bean's Mills	5
Mrs. Ada D. McCard	West Corinth	5

## INSTRUCTION

The division of the grades at the West Corinth school was continued to the end of the school year, 1945-46.

During the present school year an arrangement has been in effect by which the seventh and eighth grades in the West Corinth and Bean's Mills schools have been conveyed to the grammar school at East Corinth. This procedure has relieved the grade condition in these schools considerably and may well be continued until such time as the grammar school becomes overcrowded.

Because of the large enrollment in primary grades at the village, it seemed necessary to the school committee to transfer the second grade to the intermediate school. This has caused an overcrowded condition in that room but could not seem to be avoided as the primary room is also overcrowded with its present enrollment. If this condition continues, it is going to become necessary very soon to open another school with a different arrangement of the grades. The town should have under consideration

provision for some arrangement to accmmdate the condition.

## MUSIC

During this year it has not been possible to make any arrangement for the employment of a Music Supervisor in these towns. As soon as some arrangement can be made, this subject should become a regular subject in the schools. In undertaking such a program the towns should cooperate in providing an adequate salary for a Supervisor.

## HEALTH

You are repectfully referred to the report of the Public Health Nurse.

## TEXTBOOKS AND SUPPLIES

Considerable difficulty has been experienced during the past year in getting textbooks, workbooks and supplies. In some instances it has peen impossible to procure those most commonly used.

In several instances new revisions of textbooks are being issued that materially differ from the editions now in use. Prices on textbooks have advanced from 25 to 40 per cent, and those on desk supplies have increased about 50 per cent. These prices will call for increased appropriations for school material.

It has not been possible to buy regular school desks at any price. Those on which quotations have been received are greatly increased in price and no assurance can be had of any delivery in the immediate future.

## REPAIRS

Most of the repair work has been done on the village school building. One side of this building has been shingled,

and the supporting timbers of the floor in the primary room have been replaced. Other repairs have been of a minor nature.

Consideration in making an appropriation in this department should be given to the provision of another room for the village schools. Also there should be provision for the purchase of additional school desks. It might be well to consider the possibility to a conveyance arrangement to and from the Bean's Mills school building to accommodate a rearrangement of the grades. Provision should be made for the usual minor repairs.

### EQUALIZATION FUND

The town has received \$4,305.00 this year under the provisions of this fund. It is used for the general maintenance of the schools.

The statement issued by the State Department of Education contains the information that the sum of \$2,667.00 is apportioned to Corinth for next year.

### FINANCIAL STATEMENT

You are respectfully referred to the report of the Selectmen for the financial statement of the department.

### RECOMMENDATIONS

You are referred to the report of the Selectmen for the list of recommendations for this department for the next year. These cover the period from February 1, 1947 to February 1, 1948.

### SUMMARY

Number of pupils registered in elementary schools, 1945-46,	184
Number of pupils registered in elementary schools, 1946-47,	187

Number of pupils conveyed, 1945-46,	107
Number of pupils conveyed, 1946-47,	134
Average cost of teachers' salaries per week,	\$34.06
Average cost of teaching per pupil per week,	1.02
Average cost of teaching per pupil per year,	37.89
Average cost in all schools per meek, 206.4 weeks,	71.72
Average cost in all schools per week for year, 5.5 schools,	394.46
Average cost per pupil for conveyance per week,	1.30
Average cost per pupil for conveyance per year,	48.75
Average cost per pupil for textbooks and supplies,	4.43
Average cost per pupil, all expense,	80.68
Average tax rate in state for school purposes	.01855
Average tax rate in state for municipal purposes,	.06347
School tax rate in town,	.02217

### CLOSING

Due to the fact that this town has a local personel in its teaching group, we have been fortunate in continuing the school program on a regular schedule.

The general school situation is becoming more critical with the passing years. Not as many of our young people are interesting themselves in preparation for teaching as formerly, and, for that reason, we are not having a trained group to take the positions as the older teachers retire from the profession. The recent trend in increased salaries is not securing the tangible results so greatly desired. The matter of teaching sentiment which formerly was a part of the preparation seems to have been largely dissipated in the deluge of other occupational interests.

The considered increase of \$1,500.00 as the minimum basis for a teacher's salary is worthy, but it is certain to be some considerable time before the teaching force can be built up to the required standard in numbers. There is a general appeal throughout the country for an interest in furthering the matter of the educational program. Just

when the lever of public opinion may case the trend to move toward professional preparation for teaching is uncertain. There are many boys and girls who are awaiting the time.

The question of financing the increased salary program comes in for considerable discussion. From whatever source the funds are derived, it is certain to be a matter of taxation. The schools have always been supported through this source and it will have to be continued.

The whole program is calling for attention. It is in substance, the education of the young people by the education of all the people.

Respectfully submitted,

H. D. RIDLON,  
*Superintendent of Schools.*

## REPORT OF THE HIGH SCHOOL PRINCIPAL

---

The following is a report of the Principal of East Corinth Academy for the school year 1946-47.

East Corinth Academy opened this year with two of last year's teachers back.

The present staff of teachers is as follows:

Albert L. Skidds, Colby, Principal and teacher of Mathematics and the Physical Sciences; Lester A. Felt, University of Maine, Agriculture; Mrs. Dorothy Dresser, University of Maine, Civics I and II, Consumer Education, French I and English IV; and Robert H. Look, Washington State Normal School and University of Maine, English I, II and III, Problems in Democracy, and Biology.

The Academy opened September 9th with an enrollment of 63 students; 28 boys and 35 girls. This compares favorably with 61 students of last year. We have had four new students enrolled since school opened and have had five students leave school including one of those who came in late. In addition to these, two of the Senior boys were graduated at mid-years. So our enrollment at present is 60.

The enrollment of the school by classes is as follows:

	Total		Left		Total
	Reg.	Boys	Girls	School Grad.	Now
Seniors	14	6	8	0	2
Juniors	11	1	10	1	
Sophomores	17	9	8	1	
Freshmen	25	12	13	3	
	<hr/>				<hr/>
	67				60

East Corinth Academy offers three courses, namely, Agricultural, Classical, and English. These are all courses

approved by the State Department of Education for a Class A Academy.

Each student is allowed to choose the course he wishes to pursue. Some subjects in each course are required while other are elective. Every student must take four years of English and must take Civics and American History before graduating. Every student must take at least four subjects a year, which give four units of credit toward graduation. A total of 16 units of credit are required by the State for graduation.

The Academy sponsors two major sports for the Students. The boys and girls play basketball and the boys play baseball while the girls play softball. We have had a building year in basketball for both boys and girls. Our boys won three games out of ten and the girls won one and tied one in league play while the boys won five out of six and the girls won four out of five in non-league play. We hope there will be enough girls interested in softball to have a team this year.

In addition to the above games the students have an opportunity to play volleyball and table tennis.

I would like to take this opportunity to thank Roland Page for organizing a Grammar School basketball team. He took on this added work voluntarily and has done a good job of coaching the team. The team has done a very creditable job of winning most of its games. However, the winning is not the all important thing, that merely shows that they have made favorable progress. The important aspect of it is that it is building materials for the Academy while at the same time giving these adolescent boys an opportunity to express themselves in a way which is gratifying to them. It helps them to develop muscular coordination much earlier than they would do otherwise. It may also stimulate interest in some of them to continue on into high school.

The Grammar School has a girls' team which sometimes

practices with the high school girls and sometimes one of the Academy girls coaches it.

I wish everyone could see and feel the friendliness which exists between the two schools. In many places there is a definite break between the Grammar and the High School. The two schools have their respective teams and are separated by one floor but when the bell rings for recess it would be very difficult for an outsider to pick out the pupils of each school. They all play together in the gymnasium or on the playground.

Our Physics and Chemistry Laboratory is becoming better stocked and equipped from year to year. The State requires the expenditure of seventy-five dollars each year for laboratory supplies and equipment and under careful supervision we are able to do about sixty experiments and still add improvements.

The State requires the expenditure of seventy-five dollars for the Library also. We divide this money between reference books and books of other types. In addition to these books we have purchased several new sets of textbooks.

We have bought a new Seth Thomas electric clock for the main room. We have also bought a new Rex-o-graph machine. This machine is superior to the mimeograph machine in that it does not use ink, the stencils are simpler to prepare, it takes much less time to change stencils and they may be stored for future use. We use the machine for class work, for copying songs, printing our school weekly paper, making programs and many other things. Both the clock and the Rex-o-graph machine were bought with school money.

Thanks to the people of this town and surrounding towns for subscribing to magazines from our students. As a result of the program the Grammar School earned twenty-eight dollars while the high school earned ninety dollars. In addition to this two students earned Philco radios as prizes.

We could not find a suitable textbook for a non-laboratory course in Home Economics this year so we substituted Consumer Education in its place. However, we will continue to look for a suitable Home Economics book for another year.

Mr. Lester A. Felt, Instructor of Vocational Agriculture, presents his annual report of progress from the Agricultural Department.

### REPORT OF TEACHER OF VOCATIONAL AGRICULTURE

Twenty-two boys enrolled as students in Vocational Agriculture. This is one less than the 1945-1946 enrollment.

The course of study for Junior and Senior boys this year consists of Farm Management, Farm Marketing, Farm Machinery, and Farm Engineering. This class room instruction is supplemented with Farm Mechanics and Supervised Farm Practice. The Sophomore group receives training in Soils and Fertilizers, Field Crops, Forage Crops, Potatoes, and Farm Forestry, along with Farm Mechanics and Supervised Farm Practice.

The Freshmen receive instruction in Livestock and Poultry Production with Farm Mechanics and Supervised Farm Practice.

The F. F. A. organization is much more active this year. We hope to accelerate our program of work and really accomplish our goals now that we are no longer held back by wartime restrictions.

The following officers are serving the organization this year.

President	Richard Wiggin
Vice-President	Carlton Wiggin
Secretary	Raymond Harvey
Treasurer	Floyd Wiggin
Reporter	Norman Page
Chaplain	Leland Campbell

Three of the boys, Richard Wiggin, Raymond Harvey, and Arthur Rowe, attended the National F. F. A. Convention at Kansas City. The Chapter sets aside \$100.00 each year to pay the expenses of one or more delegates to the National Convention. Ten F. F. A. boys from this Chapter have had the privilege of attending this national event since 1940. The Convention was a gala affair this year, being labeled the National F. F. A. Victory Convention. There were around 15,000 F. F. A. boys present representing every state in the union as well as Hawaii and Porto Rico.

We are still sponsoring a cooperative chapter project of registered Hampshire sheep. Sales of breeding stock were very satisfactory this year.

A new function of special significance has been added to the department this year. This is the "Institutional on the Farm Training Program" for veterans. An enrollment of 20 veterans is anticipated for evening classes. This program should greatly benefit both the veterans and the academy as the school receives monthly tuition payments for educational services.

It is satisfying to know that post-war training in Agriculture is receiving equal consideration with industry.

LESTER A. FELT,  
*Instructor Vocational Agriculture.*

## ATKINS MEMORIAL LIBRARY REPORT

---

*To the trustees of the Atkins Memorial Library and the  
Citizens of Corinth:*

I herewith submit the annual report of the library for the year 1946.

We are pleased to report that all volumes of fiction were catalogued. As soon as funds are available the non-fiction and juvenile books will be catalogued. Then an accurate record can be kept and reported each year.

We extend our appreciation to Mrs. Olive Barbour who did the typing, and the Academy girls who helped in the cataloguing.

To those who made contributions of books and magazines during the year we are grateful. Gifts of books, if of value, are always appreciated.

Plans are made to have juvenile reading clubs during the year. Girls and boys interested will come to the library for information.

We would like to see every citizens of Corinth a member of the Atkins Memorial Library Association. The library is yours. USE IT.

Respectfully submitted,

GERDA R. PERKINS,

*Librarian.*

## ANNUAL REPORT FOR CORINTH

---

January 1 to December 31, 1946

### BUREAU OF HEALTH NURSING SERVICE

Public Health means Community Health. Therefore in order to have a good public health program in your town it is necessary that the citizens know how the public health program functions. Everyone benefits either directly or indirectly by this program.

Recognizing that whatever is done to assure physical and mental health during maternity, infancy, childhood and youth will affect the health of the adult population, we have, as in the past, placed most emphasis on the work with the pregnant mother, the infant and pre-school child.

Health supervision visits were made to infants to urge the mothers to keep their babies under medical supervision, to have them vaccinated against smallpox and immunized against diphtheria. Stress was placed on the importance of having whooping cough vaccine given to the infant as soon as the family physician feels it advisable. While we know whooping cough vaccine isn't a true immunization, statistics reveal it has lessened the severity of the disease a great deal. Whenever indicated mothers were assisted in planning daily schedules for their infants. The prevention of communicable diseases which takes such a heavy toll during infancy was emphasized.

Health supervision visits were made to pre-school children in order to help with correction of defects and establishment of good health habits. It is very important that defects in this age group be corrected before they enter school. It is our aim to send a healthy child to school.

Conferences were held with teachers to discuss health problems arising in the schools and to co-operate with

them in promoting progressive health education. Home visits were made to parents of school children in order to explain the need of dental, vision and hearing corrections and to guard against communicable diseases.

This year 146 school children were given the hearing tests with the audiometer. Necessary follow up work was done on those children having more than a 9% hearing loss and the need of being examined by an ear specialist stressed.

There were three Child Health Conferences held in your town this summer. The results of these conferences are in the Health Council's report.

Necessary follow up visits have been made on patients with venereal disease and tuberculosis and their contacts in order to keep them under treatment and prevent spread.

Following is a report of this council.

"The Corinthian Health Improvement Council was organized in January 1946. Meetings are held every two months at the Academy. The following officers were elected:

Zopha Duran—President  
Bernice Barker—Vice President  
Della Clark—Secretary-Treasurer

By-laws were presented and accepted at second meeting. Ross Elliott was chairman of the by-laws committee.

Three successful Child Health Conferences were sponsored jointly with the State Bureau of Health. Physical examinations were given each child and the immunizations requested by the parents. The results were as follows:

Physical examinations	31
Small pax vaccinations	6
Diphtheria toxoid	12
Whooping Cough vaccine	6

Officers were elected at the November meeting as follows:

Zopha Duran—President  
 Gwendolyn Elliott—Vice Chairman  
 Della Clark—Secretary Treasurer

Respectfully submitted,

DELLA CLARK,  
*Secretary."*

One of the most important accomplishments this year was the organizing of the Corinthian Health Improvement Council. It has been of invaluable assistance to the public health nurse in her work.

Respectfully submitted,

GEORGINA J. PATTERSON

## TOWN WARRANT

County of Penobscot      State of Maine

To Frank T. Brooks, a Constable in the Town of Corinth,  
in the County of Penobscot,      GREETINGS:

In the name of the State of Maine, you are hereby required to warn and notify the inhabitants of said town, qualified by law to vote in town affairs, to meet at the Town House in said town on Monday, the tenth day of March, A. D. 1947, at nine-thirty o'clock in the forenoon to act on the following articles, to wit:

Art. 1. To choose a moderator to preside at said meeting. *L. F. Dyer*

Art. 2. To choose a town clerk for the ensuing year. *Zopher H. H. H.*

Art. 3. To see if the town will vote to accept the town report, subject to state audit. *Walter H. H. H.*

Art. 4. To elect three or more selectmen for the ensuing year. *Harry Bosch, Walter H. H. H., Maurice*

Art. 5. To elect three or more assessors for the ensuing year. *same as art. 4*

Art. 6. To elect three or more overseers of the poor for the ensuing year. *same as art. 4*

Art. 7. To elect a fire inspector for the ensuing year. *Walter H. H. H.*

Art. 8. To elect a member of the superintending school committee to serve three years. *Harold E. Burke*

*E.F.R. E.F.R.*  
#76#  
Art. 9. To elect a member of the cemetery trustees to serve three years. *Vernon Wright*

Art. 10. To elect a road commissioner for the ensuing year. *Maurice Campbell*

Art. 11. To choose constables, sextons, fence viewers, measurers of wood and bark, surveyors of lumber and all necessary town officers.

Art. 12. To see what sum of money the town will vote to raise and appropriate for elementary schools.

Art. 13. To see what sum of money the town will vote to raise and appropriate for elementary school books.

Art. 14. To see what sum of money the town will vote to raise and appropriate for elementary school supplies.

Art. 15. To see what sum of money the town will vote to raise and appropriate for repairs of elementary school buildings.

Art. 16. To see what sum of money the town will vote to raise and appropriate for insurance on elementary school buildings.

Art. 17. To see what sum of money the town will vote to raise and appropriate for superintendent of schools.

Art. 18. To see what sum of money the town will vote to raise and appropriate for free high school.

Art. 19. To see what sum of money the town will vote to raise and appropriate to pay interest.

Art. 20. To see if the town will vote to authorize the superintending school committee to make a contract with

and pay the trustees of East Corinth Academy for the tuition of its pupils qualified to attend such school.

Art. 21. To see if the town will vote to have medical inspection in the schools, and raise a sum of money for that purpose or act on anything relating thereto.

Art. 22. To see if the town will vote to have music taught in the schools or act on anything relating thereto.

Art. 23. To see if the town will vote to raise and appropriate \$60.00 for public health nursing in Corinth, said sum to be expended by the State Bureau of Health, for local service.

Art. 24. To see what sum of money the town will vote to raise and appropriate for charities.

Art. 25. To see what sum of money the town will vote to raise and appropriate for street lights.

Art. 26. To see what sum of money the town will vote to raise and appropriate for summer roads.

Art. 27. To see if the town will vote to plow snow on all town roads acceptable to the State Highway Commission, and raise a sum of money for that purpose, or take any action relating thereto.

Art. 28. To see if the town will vote to raise and appropriate a sum of money for the purpose of cutting bushes on approved highways, or act anything relating thereto.

Art. 29. To see what sum of money the town will vote to raise and appropriate for winter roads.

Art. 30. To see what sum of money the town will vote to raise and appropriate for State Aid road construction (in addition to the amounts regularly raised for the care of ways, highways and bridges) under the provisions of Section 25 and 29, Chapter 20, R. S. 1944 as amended.

Art. 31. To see what sum of money the town will vote to raise and appropriate for patrol roads.

Art. 32. To see if the town will vote to raise and appropriate the sum of \$669.00 for the maintenance of third class roads, the above amount being the sum necessary for the town to raise to entitle it to the apportionment of money for third class road construction under the provisions of Sections 44 and 46, Revised Statutes of 1930, as amended by Sections 4 and 5 of Chapter 229, P. L. 1937.

Art. 33. To see what sum of money the town will vote to raise and appropriate for Memorial Day.

Art. 34. To see what sum of money the town will vote to raise and appropriate for fire inspector and constable.

Art. 35. To see what sum of money the town will vote to raise and appropriate for town officers.

Art. 36. To see what sum of money the town will vote to raise and appropriate to procure from Atkins Memorial Library Association the free use of its books for the inhabitants of the Town of Corinth, as provided by Chapter 5, Section 28, R. S. Maine, or act on anything relating thereto.

Art. 37. To see what sum of money the town will vote to raise and appropriate for health and sanitation.

Art. 38. To see what sum of money the town will vote to raise and appropriate for mothers' aid.

Art. 39. To see if the town will vote to buy snow fence and raise a sum of money for that purpose, or act on anything relating thereto.

Art. 40. To see if the town will vote to authorize the selectmen, on behalf of the town, to sell and dispose of any real estate acquired by the town for the non-payment of taxes thereon, including real estate conveyed to the town, on such terms as they deem advisable, and to execute quit claim deeds for such property, and ratify and confirm any such deeds theretofore given by the selectmen, in behalf of the inhabitants of the town, purporting to convey the interest of the town.

Art. 41. To see what method of money the town will adopt for the collection of taxes in 1947.

Art. 42. To elect a collector of taxes for the ensuing year.

Art. 43. To elect a town treasurer for the ensuing year.

Art. 44. To see if the town will vote a date when taxes are due and payable and a date from which interest may be charged, R. S. Chapter 14, Sections 1 and 2.

Art. 45. To see if the town, for the purpose of procuring a temporary loan or loans to and for the use of said town in conducting its municipal business in the current municipal year of 1947, will authorize and direct the town treasurer, subject to the appropal of the selectmen, to borrow from time to time, during said municipal year, a sum or sums not exceeding in the aggregate, the sum of

\$5,000.00 and to make, execute and deliver the negotiable not or or notes to the town therefore, payable within said current municipal year and upon such terms as shall be satisfactory to said town treasurer and selectmen, any debt or debts incurred hereunder to be paid out of money raised by taxation during the present municipal year.

Art. 46. To see whether or not the town will vote to raise and appropriate the sum of twenty-five dollars (\$25.00) to be paid to the State of Maine Publicity Bureau to be expended and used for advertising the natural resources, advantages and attractions of the State of Maine in accordance with the provisions of Chapter 80 Section 95, of the Revised Statutes of Maine.

Art. 47. To see if the town will vote to raise and appropriate a sum of money to repair and tar Morison Avenue, so called, or act on anything relating thereto.

Art. 48. To see if the town will vote to authorize the selectmen to establish a town dump or act anything relating thereto.

Art. 49. To see if the town will vote to accept the offer of the Webber Motor Co. to grade the yard in front of the Town Hall or act on anything relating thereto.

Art. 50. To see if the town will vote to authorize the superintending school committee to acquire additional room or rooms, if needed, in the village for the proper maintenance of its schools, or act on anything relating thereto.

Art. 51. To see if the town will vote to legalize Sunday baseball or act on anything relating thereto.

Art. 52. To elect a fire chief and fix his compensation or act on anything relating thereto.

Art. 53. To see if the town will vote to sell the Robieville schoolhouse or act on anything relating thereto.

Art. 54. To see if the town will vote to raise and appropriate a sum of money to buy fire hose or act on anything relating thereto.

You will give notice that the Selectmen will be in session at the Town House in said town at nine o'clock in the forenoon on March 10th, for the purpose of correcting the list of voters.

Hereof fail not and have you there this warrant with your doings written thereon.

Given under our hands at Corinth this 25th day of February, A. D. 1947.

HARRY ROACH

HAROLD BURKE

MAURICE CAMPBELL

*Selectmen of Corinth.*

## NOTICE

The ladies of the Methodist Ladies' Aid will serve a dinner on Town Meeting Day.
